

CHAPTER V

CLOSURE

This chapter presents the conclusion of the study and suggestion. Conclusion summarizes the result of the research based on the research problem. So, it summarizes about students speaking activity in Language Program applied at dormitory of Global Islamic Boarding School (GIBS) Barito Kuala briefly. While suggestion is the researcher recommendation based on the result of the study for having better result in speaking activity.

A. Conclusion

Based on the result of the study based on the research problem, the researcher concludes that:

1. The students speaking activity in Language Program at Dormitory of Global Islamic Boarding School (GIBS) Barito Kuala, such as: Fahmul Ayat, Delivering Vocabularies, Language Court and Muhadhoroh.
2. The students problems in speaking activity in Language Program at Dormitory of Global Islamic Boarding School (GIBS) Barito Kuala, such as: Inhibition, Nothing to Say/Lack of topical knowledge and Mother tongue use.

B. Suggestion

After the writer done the research, the writer had some suggestion, perhaps the suggestions will be input for the institution of Global Islamic Boarding School (GIBS) Barito Kuala, language learners, and the next researcher. The suggestion are:

1. For the institution of Global Islamic Boarding School (GIBS) Barito Kuala

As a modern institution Global Islamic Boarding School has a good program for the students and success to applied it. If it is possible, GIBS may add more activity in order to improve the students speaking ability and to get the better result of students speaking skill.

2. For language Learners

As the language learners they should understand that mastering speaking is very important, because the function of language as the international language in globalization era. Then, if possible they should try to not hesitate to speak in English and try to have a conversation. By practicing speaking, the English language learners will master that language.

3. For the next researcher

The researcher realize that this research is far from perfectness. So the researcher expected the next research can do more and prepare well all of the step before do the research.
