

## **CHAPTER V**

### **CLOSURE**

#### **A. Conclusion**

In this chapter the researcher would like to draw conclusion from what have been discussed the previous chapters, and to recommend some suggestions concerning with Students' Listening skill on British Accent.

The writer calculating, it is found mean of students' skill in comprehending British Accent is 87,5 and mean for students' skill in recognizing pronunciation British Accent is 66,0. While the writer concludes the students' Listening skills on British Accent in listening course 3 of English Department at Uin Antasari Banjarmasin get a mean 76, 7 and category is Good.

#### **B. Suggestions**

1. Students of English Department should improve their listening skill because it is one of the basic skills that has to be mastered in learning English, especially in listening to American and English Accent since these two varieties are more common than other varieties of english.
2. The writer realize that this study has not been satisfying yet. Therefore, the writer hopes there will be the next researchers who will continue this study and give many contributions for english teaching and learning process.
