

ABSTRACT

Noorida Taufani. 2019. *STUDENTS' ENTHUSIASM FOR LEARNING GENERAL ENGLISH AT LANGUAGE DEVELOPMENT UNIT*. Thesis English Education Department, Faculty Tarbiyah and Teacher Training. Advisor: (1) Dra. Hj. Wardah Hayati, MA (II) Hidayah Nor, S. Pd, M. Pd.

Keyword: Students' Enthusiasm, Students' Achivement, Teaching and Learning English, speaking.

. Enthusiasm in one's life and self is very important, especially for learning and the world of work, because without enthusiasm in every human being we will not be able to support the achievements to be achieved, enthusiasm becomes an important part of human life for example enthusiasm in learning in order to achieve value and become the best graduate so that it is easy in the world of work or can be called will get a job easily and according to what they want, the reason is interested in doing research on students' enthusiasm in learning English by analyzing their level of enthusiasm in learning and seeing their enthusiastic relationship with achivement they have achieved.

The research subjects took from the UPB class groups one and group two which consisted of all departments and faculties. The author examines their enthusiasm by observing in class, and interviewing. The design of this study is qualitative research. To collect data, the author uses several techniques such as interviews. Data processing in this study was divided into four phases: data collection, data reduction, data display, and drawing conclusions. Then, all data are analyzed and concluded descriptively.

The results of this study indicate that: 1. Enthusiasm students are very influential on themselves and also the teacher is very influential on the anthusiasms of their learning in the classroom.
