

CHAPTER V

CONCLUSION AND SUGGESTIONS

A. Conclusion

According to the explanations before, it can be concluded in two important points that the researcher found or result of this research:

1. Students' necessities in learning English at Pascasarjana of UIN Antasari Banjarmasin are need to be able to read and understand English book or English academic text or International journals. Besides, students need to be able to answer TOEFL test because those are a requirement before they do thesis exam in Program Magister (S2) at Pascasarjana of UIN Antasari Banjarmasin.
2. The relation between students' necessities and teaching & learning English in most of classes related to students' necessities, and a few classes not related. In other word, most of the teaching and learning English at Pascasarjana of UIN Antasari Banjarmasin meets students' necessities. The reasons why there are still not related to students' necessities because some English lecturers don't have specific directions from the study program in providing material.

B. Suggestions

From the result of research, discussion, and conclusion which is discussed above, researcher gave suggestion as follows:

1. For Pascasarjana of UIN Antasari Banjarmasin, the researcher hopes to socialize more about important things in student academic guidelines 2018, especially in new students of program magister (S2). Such as: Before they do a thesis exam, students of Program Magister (S2) must have foreign language skills as evidenced by TOEFL or TOAFL.
2. For study programs and English lecturers, the researcher hopes that the study program and English lecturers can work together to determine what students really need in learning English for supporting their academic.
3. For students of Program Magister (S2) at Pascasarjana of UIN Antasari Banjarmasin, the researcher suggests that students have to read student academic guidelines 2018, because there are important things related to study at Pascasarjana of UIN Antasari Banjarmasin.
