

CHAPTER V

CLOSURE

In this chapter, the researcher give explaining about the conclusion of result thesis and give suggesstions. The conclusion is intended to answer the research questions of this research. The suggestion is given for lecturers, students, and further research.

A. Conclusions

Based on the researh result, the researcher can conclude the difficulties faced by students to reaching the minimum TOEFL score in English students Department of Tarbiyah Faculty of UIN Antasari Banjarmasin and students do to reach the minimum TOEFL score in English Department of Tarbiyah Faculty of UIN Antasari Banjarmasin.

1. The difficulties faced by students to reaching the minimum TOEFL score in English students Department of Tarbiyah Faculty of UIN Antasari Banjarmasin. In listening difficulties is difficulty to understand idiom and phrasal verb in the dialogue, In structure and written difficulties are not careful enough, so sometimes misanalysis, In reading difficulties is difficulty to understand the passage because lack of vocabulary.
2. Students do to reach the minimum TOEFL score in English Department of Tarbiyah Faculty of UIN Antasari Banjarmasin. at listening section repeating the audio, and read the book, at structure

and written section learn more and learnt from internet or book, and reading section was not reading whole the text and read the question before then helooking for the answer in the text

B. Suggestions

Based on the findings of the research, the researcher would like to propose the following suggestions:

1. The lecturer should help and give tips to increase TOEFL score students.
2. The students should do more practice and study in order to decrease the students lack of knowledge and understanding of the TOEFL.
3. The further researcher could make this paper as references for future research.
