From the results of the *Tilawah* individual championship above, the best participants from Banjarmasin donated 6 points of 38 total points for Banjarmasin city in the general championship with details:

NO.	CATEGORY	YEAR	RANKING	POINT

4.	Blind <i>Qāriah</i>	2012	3	1
TOTAL				6

The contribution of 6 points out from the *tilawah* branch of a total of 38 points for Banjarmasin was just a little thing, because there are no participants of *Tilawah* who won 1st place from any group. The difference in score is quite far from other competitors made Banjarmasin got 3rd place. Barito Kuala district has achieved the runner-up position by 57 points, and

Tanah Bumbu district as the host of the year won 1st place of the general champion with 79 points. From this year, Tanah Bumbu district as the host was dominated the championship in 2012.

B. The General Championship of 2014 Provincial MTQ at Tanah Laut District

The MTQ in South Kalimantan after 2012 took place in 2014 because it was still interspersed by STQ in 2013, which only held the specific branch of competition such as *Tilāwah*, *Tahfīz*, and Arabic interpretation. As for this year, before the competition, Banjarmasin held the training center in The School Hall for five days to support and foster the delegation of Banjarmasin. 75 people are consisting of participants, assistants, officials, coaches, and chairpersons were delegating Banjarmasin to Pelaihari city of Tanah Laut District.⁹³ The achievement of the 27th Provincial MTQ at South Kalimantan is as follows:⁹⁴

NO.	REGION	TOTAL SCORE	CHAMPIONSHIP RANK
1.	Banjar	57	I
2.	South Hulu Sungai	47	II

3.	Tanah Laut	46	III
4.	Banjarmasin	42	IV
5.	North Hulu Sungai	28	V

Banjarmasin city achievement at the regional ranking in this year was decreased. Previously Banjarmasin achieved the 3rd position with 38 points and in this year Banjarmasin achieved the 4th position with 42 points. This point indicates an increase in terms of income points as much as 4 points, and also the decrease in the regional rankings from 3rd place to 4th place. It can be seen that the Banjarmasin delegation has a thin difference with two areas namely Tanah Laut district with 46 points and South Hulu Sungai with 47 points. As for the acquisition of the Banjarmasin delegation, when it viewed from the individual championships has increased by 4 points from the previous year that was seen from the following table:

NO.	CATEGORY	YEAR	RANKING	POINT
1.	Teenager <i>Qāri</i>	2014	2	3
2.	Teenager <i>Qāriah</i>	2014	3	1
3.	Children <i>Qāri</i>	2014	3	1

4.	<i>Tartīl Qāri</i>	2014	1	5
TOTAL				10

Getting 10 points from the *Tilāwah* competition this year has increased 4 points from the previous year. In 2012 the *Tilāwah* branch was only able to contribute 6 points out of 38 points in the regional champion. The difference of 4 points was greater than the previous year because Banjarmasin got the best one in *Tartīl al-Quran*. The best one can give 5 points for the regional. Increased points earned from the *Tilāwah* branch also increased the overall points of regional in 2014 by as much as 42 points. Then get interpreted so far that the developments of the *Tilāwah* branch can cause significant changes in the regional championship point accumulation, although the rank of the city was decreased from the previous year.

TQ. 402	U Dede Jakaria Ansor	28,00	29,00	23,67	14,33
TQ. 406	Ahmad	28,17	29,00	23,17	14,00

As for the *faṣāhah* section, TQ-402 has more than 0,5 points higher. Even for the voice section, both participants have the same score. But, the excellence in the *tajwīd* section makes TQ-418 achieved 1st place and TQ-402 in 2nd place. As for TQ-406 in 3rd place with a total score of 94,33, despite being 0,17 points ahead of TQ-402 in the *tajwīd* section, but in *faṣāhah* melody, and voice section, there is no significant difference in scores yet make it have to be in the third position.

TILĀWAH FEMALE ADULTS

NO.	NAME	TAJWĪD SECTION	FAṢĀHAH SECTION	MELODY SECTION	VOICE SECTION
TQ. 417	Dina Andriani	29,17	29,00	24,17	13,83
TQ. 411	Nida Khairiyah	29,00	29,00	24,33	13,50
TQ. 413	Hj. Raudah	28.83	29,00	23,00	13,33

In the first place, TQ-417 with a total score of 96,19 excel from TQ-411 in the *tajwīd* and voice section while TQ-411 with a total score of 95,83 is only had 0,33 points ahead in the melody section. Moreover, TQ-413 has no points ahead of both of the other participants except in the *faṣāhah* section, which has an equal score for all three. TILĀWAH MALE TEENAGERS

NO.	NAME	TAJWĪD SECTION	FAṢĀHAH SECTION	MELODY SECTION	VOICE SECTION

TQ. 202	Muhammad Ahlun	27,67	28,00	23,17	12,83

Each participant has advantages with any different section. TQ-212 excels in the *tajwīd* section with 28,17 points while TQ-210 excels in the melody section with 23,50 points. This can be measured by the number of the 1st winners who increased from the previous years which was 8 people

from all the *Tilawah* branches. Looking back from 2012 to 2021, the acquisition of 43 points is the highest achievement recorded from the *Tilawah* branch that supports the points of the Banjarmasin general championship.

I. Details Of The Progress Of Banjarmasin Delegation In The General Championship 2012-2021

The acquisition of the regional general championship from 2012 to 2021 for the Banjarmasin delegation makes the dynamics fluctuating marked by different achievements each year. Based on the acquisitions distributed previously, these are the details of Banjarmasin delegation achievement as follows:

NO.	YEAR	BANJARMASIN PLACEMENT	SCORE
1	2012	III	38
2	2014	IV	42
3	2015	I	76
4	2016	II	66
5	2017	I	84
6	2018	I	84
7	2019	I	119

8	2021	I	135
---	------	---	-----

Based on the details above, the regional general championship reached by the Banjarmasin delegation does not always increase or decrease. Points of the Banjarmasin regional championship have different dynamics for each year. In terms of ranking, Banjarmasin had decreased from 3rd position in 2012 to the 4th position in 2014. Even after becoming the general champion in 2015, Banjarmasin again ranked second place in 2016. Even so, in 2017 Banjarmasin became the general champion again and defended it until 2021. If viewed from the total score of all branches, the points accumulated by all branches is tending to increase even though it had decreased by 10 points in 2016 and stagnated at 84 points from 2017 to 2018. However, the details of the points from *Tilawah* branch is based on the results of the championship every year with a note that the 1st place contributes 5 points, the 2nd place contribute 3 points, and 3rd place contribute 1 point, as follows:

NO	TILAWAH	INDIVIDUAL CHAMPION POINTS							
		2012	2014	2015	2016	2017	2018	2019	2021
1.	Adult <i>Qāri</i>	-	-	-	-	-	1	5	5

10.	Blind <i>Qāriah</i>	-	-	-	-	-	-	-	-
TOTAL POINTS		6	10	29	22	13	12	22	43

After looking at the details of Banjarmasin delegation achievement in the *Tilāwah* branch, it shows that the *Tilāwah* branch does not always dominate the regional general championship results. Because when Banjarmasin got the 1st position as the general champion in 2017 and 2018, the points from the *Tilāwah* branch decreased to the number of 13 and 12. Meanwhile in 2016 even with Banjarmasin's position as the runner-up, but the points generated by the *Tilāwah* branch are higher with a score of 22 points. This indicates that the championship points achieved by the delegations are the accumulation result of the whole branch in the competition, and do not

come from one specific branch. The development of the results of each group varies annually, except for the blinds group of females, which is within a decade does never have a place in the championship because of the absence of participants from Banjarmasin.

Behind this achievement journey of Banjarmasin delegation from 26th MTQ in Tanah Bumbu district to 33rd MTQ that have held in Tanah Bumbu District, from the difficulties of championship scores and rankings, there will be several factors that cause this to happen. The things behind Banjarmasin delegation achievement that cause these dynamics will discuss in the next chapter.
