Learning and communication strategies								
Name	It is important to speak English with an excellent pronunciation	You shouldn't speak anything in English until you can say it correctly	I enjoy practicing English with the native speakers of English I meet	It's OK to guess if you don't know a word in English	It is important to repeat and practice a lot	I feel timid speaking English with other people	If beginning students are permitted to make errors in English, it will be difficult for them to speak correctly later on	It is important to practice with cassettes or tapes
