Interview Guideline

Interview 1:

- a. Did teacher give material explanation and the quizzes during online learning?

The teacher gives students quizzes, but without some explanation how can the students understand the material.

- b. Can teacher handle online learning such as giving material or using application?

No, teacher does not give the explanation, but ask students to study by themselves.

- c. Can teacher control the students during online learning?

No, students can get focus when joining online learning.

- d. Did students have their own phone to join online learning?

Yes, their own phone. But since the student do not interest to learning, the phone used to another thing.

- e. Did students have enthusiastic to participate in online learning?

No, because there are too much quizzes and the learning is not interesting.

- f. Was the internet access stable here?

Yes, except if there is power failure.

- g. Can you guide or helps your children during online learning?

The student currently learn with her older sister and I just check about her quizzes, I just afraid if she has not answered it yet.

- h. Did online learning add parents' expenses?

Of course, it is also make extra expenses since the students use the quota for another things.

Interview 2:

1. Did teacher give material explanation and the quizzes during online learning?

Yes, with the quizzes, the children can intiatively study to answer the quizzes.

2. Can teacher handle online learning such as giving material or using application?

No, the online learning do not really implement here, the teacher mostly giving the material and then giving the quizzes, there is no question and answer section.

3. Can teacher control the students during online learning?

When th class just giving attendance list and quizzes. So, what need to handle.

4. Did students have their own phone to join online learning?

Yes.

5. Did students have enthusiastic to participate in online learning?

The students only learning to answer the quizzes, after that no more studying.

6. Was the internet access stable here?

Yes.

7. Can you guide or helps your children during online learning?

Yes, I always monitoring my children.

8. Did online learning add parents' expenses?

No, as long as my children can study.

Interview 3:

1. Did teacher give material explanation and the quizzes during online learning?

Yes

2. Can teacher handle online learning such as giving material or using application?

No

3. Can teacher control the students during online learning?

No, my children did not pay attention to the material since there is only explanation from the teacher and then giving quizzes.

4. Did students have their own phone to join online learning?

No, the student uses my phone.

5. Did students have enthusiastic to participate in online learning?

No, my children not interested to online learning.

6. Was the internet access stable here?

Yes.

7. Can you guide or helps your children during online learning?

Yes, I always help my children learning during online, but when it comes to normal learning, he got a not good result because during online he was always guided and helped by me.

8. Did online learning add parents' expenses?

Yes, even there are some helps from the school but parents also bought them quota.

Interview 4:

1. Did teacher give material explanation and the quizzes during online learning?

Yes, teacher gives students quizzes makes them want to study, at least to answer the quizzes

2. Can teacher handle online learning such as giving material or using application?

Teacher can do the online learning, but can not handle it. When the students do not understand the material, there is not a following up from the teacher.

3. Can teacher control the students during online learning?

No, after giving material and the explanation, teacher then giving the quizzes, unfortunately, there are some teacher that did not giving explanation.

4. Did students have their own phone to join online learning?

Yes.
