vacation to the beach

The story of my experience when i was in elementary school, my family and I went to Takisung Beach. I went by private car. My journey took four hours, I left home at 08.00 am to get there at 12.00 noon.

On the way I saw a very beautiful sight. When I got there I saw a lot of people taking a shower. When I arrived at Takisung Beach, I immediately changed clothes. Change clothes must be in the bathroom.

I immediately ran to the beach and swam, I was cool to swim, my father called me to eat and I said later. And after a while swimming, I was hungry and immediately ate. Luckily I still got the fried chicken. After eating, I got a special life ban for Rp. 15.000 and then I immediately swam again using the tires. all of a sudden I didn't know my cousin was swimming as well. I was cooperating with my cousin's brother, then I got sea water in his nose, it was very painful.
