1.	Memory Strategy		
	<p>1. What did you do to remember information while writing essay?</p> <p>2. Do you a kinesthetic learner? If yes, can you explain how is your strategy to remember information</p>	1, 2, 3, 4	<p>1. To remember the information while writing an essay, I start to think what's the main topic of it. Then, I think of the detail of it little by little. To prevent mistakes, I write a draft first to list the things that I want to read, with some information in each part.</p> <p>2. No, I'm not a kinesthetic learner. I just think in my head in remembering something.</p>
2.	Cognitive Strategy		
	<p>1. Please explain how is your way to make your essay more proficient?</p> <p>2. What kind of essay that you ever or want to</p>	6, 7, 8, 9, 10, 11, 12, 13, 14, 15, 16, 17, 18, 19, 20, 21, 22, 23	<p>1. To make my essay more proficient, like what I have said in the previous question, I make a draft of my writing</p>

	<p>send to official website, and explain to me what about the official website is?</p> <p>3. Can you tell me, how is your way to avoid word-for-word translation?</p>		<p>first, collecting information, and the start to write. Sometimes I also read other's essay to be references for my writing.</p> <p>2. No, I haven't published any essay to an official website.</p> <p>3. To avoid word-to-word translation, I read the sentence or paragraph first to obtain and knowing the context. With that, I can arrange the word and translate it with my understanding, not word-to-word. That is also what I do in writing, I prepare the whole context first, and then I start to write.</p>
3. Compensation Strategy			
	<p>1. What kind of topic that usually interest you? And what the reason?</p> <p>2. What will you do if you do not know or do not understand the word in English to express the essay writing?</p>	24, 25, 26, 27	<p>1. Topic that interests me is about natural phenomena that happen in the world.</p> <p>2. If I don't know how to express something in English, I tried to find the synonym in the same context first in Indonesian, then I tried to translate it. If I can't find the solution anymore, I will open the dictionary for it.</p>
4. Metacognitive Strategy			

	<ol style="list-style-type: none"> 1. How is your way to notice your mistakes in essay writing? 2. Can you tell me, what is your goals in writing? And what is the reason? 3. How are you manage your writing time? 	<p>28, 29, 30, 31, 32, 33, 34, 35, 36, 37</p>	<ol style="list-style-type: none"> 1. To notice the mistakes, I will re-read my writing after I write. I will analyze if there's wrong words or ambiguous sentence. If I feel there's something wrong, I will fix it. 2. Actually, in writing essay, my goal is only focused on my academic study purpose. And the reason is because somehow, I'm more interested to free writing (for example: novel) rather than writing in academic. 3. To manage my writing time, I usually set the time when I'm free to do exercise on my writing. I set on how long the time I should write, and then I start to write according to that time.
5. Affective Strategy			
	<ol style="list-style-type: none"> 1. When you feel afraid of your writing composition, what is the thing that you do to feel relax? Please explain the reason! 2. When you learn about writing, how is your way to express your feeling to someone 	<p>38, 39, 40, 41, 42, 43, 44, 45</p>	<ol style="list-style-type: none"> 1. To make me feel relax, I usually listen to music or play a nature sound on YouTube. There is no specific reason, I just love it. 2. I tried to make my words understandable to my target. If my target is academic

	<p>else?</p> <p>3. When you faced difficulties in writing process, what is the thing that can motivated you?</p>		<p>people, I can use academical words. But if it's not, I will try to simplify the words that I use.</p> <p>3. One of the thing that can motivate me is reading other people's writing. With that, I motivated by thinking I should be like them too.</p>
6. Social Strategy			
	<p>2. How is you do when you revise your written after you got a feedback?</p> <p>3. Can you explain how can you consider your reader's feeling while writing process?</p>	46, 47, 48, 49, 50	<p>1. When my writing got a feedback, I will analyze it again an try to revise it based on the feedback. Looking at the words or sentence, and make it as an experience.</p> <p>2. I try to position myself as the reader. Can I understand my writing, and think about my feeling when reading it.</p>
