

CHAPTER V

CLOSING

A. Conclusion

From the analysis conducted on the Qur'anic exegesis teaching at Amanah Mosque in East Banjarmasin, led by Ustaz M. Rasyid, a very positive picture emerged regarding the effectiveness of varied teaching methods and the *tadabbur* teaching concept. In the atmosphere created by Ustaz M. Rasyid, the congregation not only gains a profound understanding of the verses of the Qur'an but also connects with these values in the context of everyday life. The charisma and exemplary behavior of Ustaz M. Rasyid prove his crucial role in building the trust of the congregation, which is key to facilitating the internalization of Qur'anic teachings.

Nevertheless, there are some obstacles such as the heterogeneous level of the congregation and a still low level of courage in asking questions. However, Ustaz M. Rasyid's motivational steps prove to be an effective solution to these challenges. Thus, this teaching creates an inclusive learning environment that supports the spiritual growth of the congregation.

B. Suggestions

Based on a deep understanding of the Qur'anic exegesis teaching at Amanah Mosque in East Banjarmasin led by Ustaz M. Rasyid, several suggestions can be proposed to enhance the quality and effectiveness of the teaching process, including:

1. Encouraging active participation of the entire congregation: Further motivating and providing a sense of security to the entire congregation to be more courageous in asking questions and engaging in discussions during the teaching.
2. Utilization of teaching media: Encouraging participants to bring notebooks or providing alternative teaching media so that all teaching methods can be optimized.
3. Development of teaching methods: Continuously developing and enriching teaching methods, including considering the use of digital technology as an additional innovative learning method.
4. Regular evaluation: Conducting regular evaluations of the overall teaching process, including obtaining feedback from the congregation to continuously improve the quality and relevance of teaching materials.

With the implementation of these suggestions, it is hoped that the Qur'anic exegesis teaching at Amanah Mosque in East Banjarmasin can continue to grow and provide greater benefits to the congregation, strengthening their understanding and practice of Qur'anic teachings in daily life.
