ABSTRACT

Iis Nurjanah. 2026. Students' Learning Experience of Video Project Completion in Improving Critical Thinking Skill through Writing. Thesis. English Language Education Study Program, Faculty of Tarbiyah and Teacher Training, Antasari State Islamic University. Advisor: Dr. Hj. Nida Mufidah, M.Pd.,

Keywords: Students' Learning Experience, English Video Project, Critical thinking Skill, Students' Writing Difficulties, Project Based Learning.

This research was conducted to understand students' learning experiences in completing English video projects and to find out the writing difficulties they faced. This research aims to explore students' learning experiences and writing difficulties during video project activities. The study used a qualitative approach with a case study design, involving 16 ninth-graders, with data collected through observation, semi-structured interviews, and analysis of student manuscript documents. The results show that video projects provide a meaningful learning experience, characterized by increased student engagement, collaboration, creativity, and reflective abilities. Video scriptwriting activities encourage students to analyze ideas, build arguments, and make critical decisions. However, students still experience some writing difficulties, including vocabulary limitations, grammatical errors, less in-depth content development, and writing mechanics. Overall, English-language video projects make a positive contribution to students' learning experiences and the development of critical thinking skills through writing.

ABSTRAK

Iis Nurjanah. 2026. Students' Learning Experience of Video Project Completion in Improving Critical Thinking Skill through Writing. Skripsi. Program Studi Pendidikan Bahasa Inggris, Fakultas Tarbiyah dan Keguruan, Universitas Islam Negeri Antasari. Pembimbing: Dr. Hj. Nida Mufidah, M.Pd.,

Kata kunci: Pengalaman belajar siswa, Proyek video Bahasa Inggris, Keterampilan berpikir kritis, Kesulitan menulis siswa, Project-based learning.

Penelitian ini dilakukan untuk memahami pengalaman belajar siswa dalam menyelesaikan proyek video berbahasa Inggris dan untuk mengetahui kesulitan menulis yang mereka hadapi. Penelitian ini bertujuan mengeksplorasi pengalaman belajar siswa dan kesulitan menulis selama kegiatan proyek video. Penelitian menggunakan pendekatan kualitatif dengan desain studi kasus, melibatkan 16 siswa kelas sembilan, dengan data yang dikumpulkan melalui observasi, wawancara semi-terstruktur, dan analisis dokumen naskah siswa. Hasil penelitian menunjukkan bahwa proyek video memberikan pengalaman belajar yang bermakna, ditandai dengan meningkatnya keterlibatan, kolaborasi, kreativitas, dan kemampuan reflektif siswa. Kegiatan menulis naskah video mendorong siswa menganalisis ide, membangun argumen, dan membuat keputusan kritis. Namun, siswa masih mengalami beberapa kesulitan menulis, termasuk keterbatasan kosakata, kesalahan tata bahasa, pengembangan isi yang kurang mendalam, serta mekanika penulisan. Secara keseluruhan, proyek video berbahasa Inggris memberikan kontribusi positif terhadap pengalaman belajar siswa dan pengembangan keterampilan berpikir kritis melalui penulisan.

7. Especially to my lovely parents, my mother Siti Fatimah and my father Supriyadi. Thank you for being the strength and light in every step I take. Unwavering support, sincere prayers, and unconditional love have accompanied my journey, not only throughout this thesis journey but throughout my entire life. Your strength and sacrifices are the foundation of everything I have achieved. May this small result bring pride and happiness to my lovely mother and father. I am forever grateful to have you in my life, and I carry your love with me always.
8. To my dearest siblings and extended family, thank you for the warmth, support, and encouragement you have given me throughout this journey. Your presence, even if not always physical, has been a source of strength that means so much to me. Especially to my siblings, Salma Riski amadia and Rizal zailani, thank you for your laughter and cheerfulness, which have always been a source of encouragement and has meant the world to me made this journey.
9. And finally, thank you to a strong and determined woman, that's the author, myself, Iis Nurjanah. Who remained steadfast in the face of various challenges throughout this thesis journey, thank you for not giving up when doubts, difficulties, and pressures came from all directions. You chose to keep moving forward with what little spirit and hope remained, thank you for continuing to believe in yourself, for being patient and diligent throughout this thesis journey. Always be grateful for your existence, appreciate every effort, and believe that

every prayer and effort you have made is part of God's best plan. May every step you take be blessed, protected, and strengthened by God.

Finally, the writer hopes that this research will be useful for the next researchers. The writer admits that this research paper is not perfect yet. Therefore, suggestion will be expected to make it better.
