

## CHAPTER V

### CLOSURE

#### A. Conclusion

Based on the data interpretation and discussions in the previous chapter, the use of puppets as the media helps the teacher and gives opportunity to the students to be active in the English teaching and learning process. The writer draws the conclusion that the use of puppets as one of the media of teaching. They are some points, as follows:

1. The using of puppet in teaching speaking is effective and there is a significant difference in the teaching students speaking skills using puppet in experiment class and control class. The writer concludes  $t_{\text{table}} (5\% = 2,02) < t_{\text{test}} (4,50) > t_{\text{table}} (1\% = 2,71)$ . Value shows that  $t_{\text{test}}$  is higher than  $t_{\text{table}}$  5% and 1%.  $H_0$  (Zero Hypothesis) is rejected and  $H_a$  (Alternative Hypothesis) is accepted.
2. The result of speaking post-test based on the calculation mean of experiment class is 74,5 from 20 students and control class is 68,6 from 20 students. In previous test, the result of this study the scores of pre-test in experiment class is 64 and control class is 62,5. Thus, the writer classified that using puppet of post test for experiment class got score in effective category and taught without using puppet for control class can be concluded in fair category.

## **B. Suggestion**

There are some suggestions presented in an effort to improve the students in English learning. They are as follows:

1. For second grade students at SMP Negeri 2 Batang Alai Selatan, they should be active in English learning, constantly practice in English with their friends anywhere. This will make them to be better in their future life.
2. For the teacher should use the puppets sometimes as the media as an alternative media in speaking class. It should be able to create enjoyable teaching learning process to make the students more motivated.
3. Finally, the writer realizes that this paper is far from being perfect, constructive critics and advice are really expected for the perfection of the thesis. The writer expect for next researcher to be more creative. Hopefully, this thesis will be useful for all of us.
