Once upon a time, there was a beautiful princess has a very white skin as snow and blue eyes. Because her skin was very white then she was called as Snow White. When she was a baby, she lost her mother. His father decided to marry again with the beautiful queen but she was very cruel. Her stepmother is the most beautiful woman in the kingdom. She has a magic mirror. Every day the queen asked to this mirror, "Magic mirror on the wall! Who is the prettiest woman in this entire kingdom? Magic mirror said" Of course, you are the most beautiful woman "

One day the queen is asked to the magic mirror again. However, she was surprised when the mirror said, "Snow White is the most beautiful woman in the kingdom. The evil queen is very jealous and angry when she found out Snow White more beautiful than her. She ordered the royal guard to hunt Snow White and bring her to forest to be killed. "I want you to kill her, and then bring me her heart!" she ordered. When the guards find snow, they felt sad and couldn't stand to kill her. Then they kill a deer and brought its heart to the queen. They did not say that heart was not belongs to Snow. Snow White is very sad and crying. She went back into the forest to wander until night.

In the afternoon, she came to a small house in the woods. She entered the house. However, she found no one there. She only found seven plates on the table and seven little beds. Then, she cooked delicious meals and cleaned the house. She was very tired and slept in one of the small beds. At night, the seven dwarfs who lived in the house were very surprised found her in their homes. When Snow White woke up, she tells the story of her evil stepmother. Seven dwarfs were very sorry and asked her to stay with them. Every morning she made food for dwarfs. The dwarfs ordered her not to open the door for strangers.

Meanwhile at the palace, the queen was very surprised when she asked to magic mirror. The mirror was still saying that Snow White is the most beautiful woman in kingdom. She was very angry when heard it. Actually, the queen was a witch. Then, she made a poisonous potion and put into the apple. She planned to give the apple to Snow White. Then, she was disguised as an old woman, and went to the house of Snow White. She knocked on the door. Snow White did not let her in. However, Snow saw the woman was carrying apples.

“Let me in, I bring sweet apples for you, so please open the door?” said the queen. Then Snow opened the door and ate an apple. When she ate an apple, suddenly, she fell asleep.

Queen returned to the palace and asked the magic mirror. This time, the mirror replied, “You are the most beautiful woman in this kingdom”

Seven dwarfs were very surprised when they found Snow White lying at home. They are very sad and cried all night. Then they put Snow into a glass coffin. One day, there was a handsome prince who saw her. Prince was amazed with the beauty of Snow. He promised to find a cure for Snow. However, he was unable to find a cure.
