

CHAPTER V

CONCLUSION AND SUGGESTION

A. Conclusion

The research conclusion is presented according with the data which have been analyzed in the previous chapter. From all the data analysis about students' competence in English speech in Darul Hijrah Islamic Boarding School for Girls Academic Year 2015/2016, it can be concluded that:

1. 4 TMI grade students' English speech competence in Darul Hijrah Islamic Boarding School for Girls Academic Year 2015/2016 were in good category.
2. 4 TMI grade students' most difficult aspects in performing English speech in Darul Hijrah Islamic Boarding School for Girls Academic Year 2015/2016 were poise, body language and vocal.

B. Suggestion

The writer had some suggestions, perhaps these suggestions will be input for the students, supervisor of speech training club and next researcher . The suggestions are:

1. The students have to study harder to increase their skill in speaking in speech training activity.
2. The students have to more build and develop their self-confidence in order to facilitate in fluency when speaking in public.
3. The supervisors of speech training club have to motivate the students to explore and improve more about aspects in performing English speech.
4. For the next researcher, it is expected that this research can give basic information for other researchers who want to do the deep research and able to be reference about the picture of students' English speech performance.
