Profile of *Pusat Pengembangan Bahasa* (Languages Development Center)

A. Brief History of PPB

Pusat Pengembangan Bahasa (henceforth called as PPB) IAIN Antasari which is known today was named after *Lembaga Bahasa* (Language Institution) IAIN Antasari, which was built in 1975. In the 1989, it was changed into *Unit Pelayanan Bahasa* (Language Service Unit) IAIN Antasari. In the 2002, then it was changed again into *Pusat Pelayanan Bahasa* (Language Service Center) IAIN Antasari.

Lembaga Bahasa IAIN Antasari was built firstly in the 1975, based on the *SK Dirjen Bimas Islam Depag Nomor Kep. B-V/237/1976* on November 29, 1976 about *Pedoman Pelaksanaan Bahasa Institut Agama Islam Negeri*. The main job of it was to run the administration teaching foreign language, especially Arabic and English in the IAIN environment.

In the 1989, based on the *PP Nomor 20 Tahun 1988*, *Lembaga Bahasa* was erased and the teaching of Arabic and English operated by each faculty. However, remembering the importance of administration of foreign language, then *Unit Pelayanan Bahasa* was built as a replace of *Lembaga Bahasa*. The main job of it was to hold the remedial teaching of Arabic and English for new students whom was not accepted on the entry examination on the Arabic and English materials.

In the 2001, based on *SK Rektor Nomor 218* stated that *Unit Pelayanan Bahasa* was changed into *Pusat Pelayanan Bahasa*. The changing was not only the name, but also giving back the Arabic and English teaching operation administered by *Pusat Pelayanan Bahasa* just like the language institution in the past. Therefore, each faculty did not teach foreign language anymore.

In the 2013, Based on Minister of Religion of Indonesia Regulation number 20 year 2013, about the organization and work arrangement of State Institute for Islamic Studies Antasari Banjarmasin (IAIN Antasari Banjarmasin), *Pusat Pelayanan Bahasa* was changed into *Pusat Pengembangan Bahasa* under the supervision of *Unit Pelaksana Teknis* (UPT/ Technical Executive Unit) and IAIN Antasari itself.

B. Vision and Mission of PPB IAIN Antasari

Vision :

Become the best model center of teaching and development in the domain of language, especially foreign language (Arabic and English) in the 2025.

Mission :

1. Administer the teaching and training of foreign language (Arabic and English) for the internal and external academician of IAIN Antasari.
2. Doing the research and development of teaching on the aspect of linguistics especially foreign language (Arabic and English).

F. The Students of The Teaching Program

1. The students of intensive Arabic and English teaching program are all students S-1 and D-3 of IAIN Antasari (including the students in special program study)
2. The transfers students from other colleges will be determined and sorted individually by considering the value transcribe of the study progress from the original colleges they from.

G. Placement Test

The students of intensive Arabic and English teaching program from IAIN Antasari must enter the placement test before taking this program.

The placement test have 3 function, they are:

1. As the consideration for classifying the students based on their ranks on the placement test.
2. As the selection for the students who have to take the additional program (matriculation)
3. As the selection for the students who have right to take the acceleration test afterwards.

Therefore, placement test is a competitive test.

H. Additional Program (Matriculation) and Acceleration Test

The students of intensive Arabic and English teaching program from IAIN are determined by their score on the placement test. Therefore, every student is not always able to take the level A program. This program really appreciates the students who have the good skill in language and they are allowed to take the acceleration test. On the other hand, the students whose skill in language is not really good must take the additional program (matriculation). All of these things are considered based on the following table:

Score	Explanation
0-35	enter the matriculation
35-69	enter level A
70-100	have rights to take the acceleration test for level A

1. If the students got the placement test score less than 35, they have to take the additional program (matriculation) class for 15 meetings.
2. If the students got placement test score more than 70-100, they have the rights to take the acceleration test Arabic A or English A.
3. The students who passed the acceleration Arabic A or English A will get the certificate and have the rights to take the acceleration test Arabic B or English B.
4. The students who passed on the acceleration test Arabic B or English B will get the certificate. Then they are suggested to be into special class.
