

## **CHAPTER III**

### **METHOD OF RESEARCH**

#### **A. Research Method**

To analyze Warm Bodies Movie, the writer uses descriptive use library research.

##### **1. Subject and Object of The Research**

The subject of the research in this study is the modern play script of Warm Bodies Movie and object of the researches used in Warm Bodies Movie.

##### **2. Data Source**

The writer divided to sources into primary source and secondary source.

###### **a. Primary Data Source**

The primary source is taken from the Warm Bodiesmovie like script.

###### **b. Secondary Data Source**

The secondary source is taken from many kinds of books and relevant materials such as books of literature theory, moral and value.

The data is also taken from internet website.

To complete the primary data, the writer also collects the supporting data that consist of:

1. Description about Modal Verbs.
2. Description about play scripts *Warm Bodies Movie*.

### 3. Library Research

In this library research there are four main steps namely:

#### a. Searching library catalogue

In this step the writer hunts for the references by searching catalogues. They guide the writer to get the assumed information contained in the available references.

#### b. Selecting the related references

It is possible that the available references do not contain the needed information. The writer must read quickly each references and the reading may end up into nothing valuable at all. If that is the case, the writer must go on hunting for other references

#### c. Note-taking from the available references

This step is also important. What and which to take into notes will be a matter of trial and error to mention the adequacy of the notes.

#### d. Picking quotation is the guidance in the formulated problem limitation.

This means that the problem must be made more operational so that the writer can pick the right quotations. It is not only the matter of the quotations, but also they are adequate to analyze type of sentences.

#### **4. Technique of Data Collecting**

To collect the data in this research, the writer uses the technique by looking for modal verbs in the movie and exploring some literature which are related to the research.

#### **5. Technique of Data Processing and Analysis**

##### **1. Data Processing**

In this study, the writer uses two techniques of data processing, they are:

##### **a. Collecting**

This process to collect all data that needed in this research

##### **b. Classifying**

This technique to classify the play scripts that found based on the type of sentences.

##### **c. Analyzing**

This technique to analyze modal verbs from movie and play scripts of Warm Bodies.
