

## **CHAPTER V**

### **CONCLUSION**

This chapter presents the conclusion and suggestions from the researcher based on the result of the analysis of content in “ASPIRASI” LKS book: Bahasa Inggris untuk SMA/MA Kelas XII Semester 1

#### **A. Conclusion**

Based on the study of analyzing the “ASPIRASI” English Student Worksheet (LKS) book: Bahasa Inggris untuk SMA/MA Kelas XII Semester 1 published by CV. Widya Duta, the researcher can conclude that this LKS book is appropriate with content standard of Curriculum 2006 because competency standard and basic competence contained in the syllabus have been applied on the material, activities and instructions in this LKS book.

According to English teacher and students’ opinion that the LKS book has already based on the content standard of Curriculum 2006. However, the LKS book also have some weakness, they are: (1) lack of detailed explanation and (2) lack of pictures that will support the understanding of students in learning the materials of LKS book. Besides, the materials and activities given are attractive and applicable in the classroom. It exposes students to be an active learner all the time so that this LKS book still acceptable to be used by the school because it is qualified to be used in curriculum 2006.
