

## CHAPTER V

### CLOSURE

#### A. Conclusion

Based on the research result of the second semester students of English Department of IAIN Antasari Banjarmasin Academic year 2015/2016, it can be included that:

1. The students' ability in using articles and zero articles at the second semester of IAIN Antasari Banjarmasin Academic Year 2015/2016 is poor category. The category is proved by the test result of 30 students which show the mean 57,67. The highest score is 6,66 (excellent) and the lowest score is 20 (poor).
2. The highest students' difficulties is in zero article in question number 10. The most difficulties from test item is zero article.

**B. Suggestion**

1. For the students always learn and improve their ability in using articles and zero articles.
2. For the lectures add more in syllbus about zero articles and improve knowledge in teaching English, especially in using articles and zero articles.
