

CHAPTER IV

CLOSURE

A. Conclusions

1. The maxim of conversational implicature that found in the frozen movie are 32 sentences. they are 11 quantity, 10 quality, 9 relation, 2 manner, from this research the writer found that maxim quantity had 11 sentences are more than maxim manner with only 2 sentences
2. The context of situation of each utterance contains conversational implicature used in frozen movie are emotional situations. it happens when Anna's accident, Elsa's coronation day, the Duke's and Han's bad planning discussion, and Anna act to save her sister. more happend outside the castle than inside castle, because there are many tragedy that happen in ice forest and ice mountain.

A. Sugestiouns

1. Students of English Departement read and improve the knowledge of the literature especially on conversational implicature maxim, because generally it looks easy to learn but need more knowledge and found in daily life conversations.

2. English department provide more books about English linguistic and literature to facilitate learners to learn, especially about implicature and implicature division, to know more in implicature who knows about conversational and conventional implicature.
