Appendix 1

MEANING OF ANNISA (4:94)

“O you who believe, when you go forth (to fight) in Allah's way, make investigation, and say not to any one who offers you salutation, Thou art not a believer, seeking the good of this world's life. But with Allah there are abundant gains. You too were such before, then Allah conferred a benefit on you; so make investigation. Surely Allah is ever Aware of what you do.”
