Appendix 2: General Description about Madrasah Aliyah Negeri Laung

Tuhup (Central Kalimantan) Academic Year 2015/2016

A. Brief story of MAN Laung Tuhup (Central Kalimantan)

Starting from the establishment of Madrasah Tsanawiyah (MTs) Bina Amal Muara Laung 1998, to accommodate the graduates, including three junior high school in districts Laung Tuhup, the official head of the Religious Affairs Office districts Laung Tuhup at the time is Mr. Masrani together with the community leaders, religious leaders and members of the government set established a foundation named MAS AL-Jihat Muara Laung, precisely on 27th June 1991.

Another thought is to remembering the number of regions and districts Laung Tuhup population is quite large, supported again by the village of districts Muara Laung as the capital of the predominantly (99%) muslims. While students who want to continue their education at Madrasah Aliyah previously had to Muara Teweh or other place which far enough.

Along with the development under leadership of Drs. Lahmudin assisted by six teachers who all the status are permanent teachers, then on 5th December 1992 MAS AL- Jihat Muara Laung obtain a registered charter of the Regional Office of Religious Affairs Central Kalimantan Number: MAS/P.5/20 / 1992 given the right under the law to provide education and teaching, and allowed to take the madrasah equation exam. At first and three years later MAS AL-Jihat Muara Laung opened one major, namely the Religion Major (A1) and because of

changes in the curriculum that the religion major only apply in Madrasah Aliyah (MAK), then MAS AL-Jihat Muara Laung opened Social Scainces Major.

After four times followed final exam, the first test centered to MAN Palangka Raya, the next exam centered to MAN Muara Teweh with the quite encouraging graduation, then MAS AL-Jihat Muara Laung precisely inaugurated on 17th March 1997 with the decision of the Religious Minister No 107 years 1997, which subsequently opened by the Regent of North Barito on 3rd January 1998.

B. Periodization Leadership Madrasah Aliyah Negeri Laung Tuhup and the Description of Headmaster

1. The first period (1998-1999) Drs. Mukhayat.

Since inaugurated MAS AL- Jihat Muara Laung become MAN Laung Tuhup on 17th March 1997 until the end of 1997 the leadership was entrusted to Drs. Lahmudin, because there is no heads nor civil servants teachers was directly assigned in the time. Then in the frist 1998 Drs. Mukhayat assigned as the Head of MAN Laung Tuhup with four candidates for civil servants teachers, one person civil servants teacher and one candidates for civil servants teacher assisted with several teachers salaries.

Continuing leadership (Private) before. MAN Laung Tuhup start the way still opening one major (social science) and still occupies the old building's of Madrasah afternoon Taqinul Khuluq which consisting of three classrooms and one office. Each measuring 6x7 meters, each class accommodating 20 students. Therefore the current physical condition is not conducive, the development was

still not implemented because of the funding does not support, students infut from the low economical, so that the self BP3 for development of madrasah can not be expected.

Along with the demands, MAN Laung Tuhup change the major into nature science major. Then in the mid of 1998 MAN Laung Tuhup got the help of two / unit building five local learning, built on a land 1.8 hectares area grants from the society districts Muara Laung with address Ali Satri street No. 1 Muara Laung 1. The leadership at the time was only a little over a year, because the head of Madrasah was moved became a owner/supervisor in primary schoold/MI the Religious Department office of North Barito in Muara Teweh.

2. The second period (1999-2004), Drs. Nur Hidayat

Continuing the leadership effort before, with taking the situation and the condition of MAN Laung Tuhup opened two majors that are natural science and social science.

At the same time MAN Laung Tuhup received the additional new buildings such as classrooms, science laboratory room, office as well as the addition of several teachers, teaching and education process can be carried out with the maximum and success was felt. For example in 2001 got first champion as Healthy School district level contest and the third champion province level.

In 2002/2003 received highest NEM rating district level, and in 2004 as the first champion high school Science Olympiad in mathematics, the third champion in Physics and Chemistry Murung Raya district level.

3. The third period (2004-), Drs. Lahmudin

in the third leadership, began to restructure the administrative system, organization structure, management and enhancement of discipline Madrasah. In the third leadership period until today has a lot of progress, both achievement and completeness of educational facilities such as the new office, Language Laboratory, Library, Computer Laboratory, Science Laboratory, additional classrooms and rehabilitation of some buildings or classrooms.

In the field of sports, in 2006, 2008 and 2011 respectively as first champion in sport Table Tennis Porseni Madrasah Central Kalimantan provincial level then followed national level championships in Jakarta. Starting in 2006 MAN Laung Tuhup including as free schools which funded by the Regional Government Murung Raya, so any leftover incoming to pass the exam is free of charge.

Along with the progress and development, in 2010 MAN Laung Tuhup appointed by the Regency Murung Raya as a sequential School, so in 2011 received help several school fence, security post, turaf courtyard, library and the official residences of teachers.

C. Description about Teachers, Administration staff, and Students

Population of MAN Laung Tuhup (Central Kalimantan)

1. Teachers

MAN Laung Tuhup has 24 teachers from different educational background. Almost of them are university graduated. More details about the description of the teachers at MAN Laung Tuhup can be seen in the table :

No	Name/NIP	Position	Education	Subject
1	Drs. Lahmudin NIP. 19640710 199803 1 001	Headmaster	S1 FKIP	BP/BK (Counseling)

Appendix 3: Description about Interview guidelines and Interview result of Madrasah Aliyah Negeri Laung Tuhup.

Interview guidelines

- A. Headmaster
 - 1. Where is this school location?
 - 2. How is the history of establishment of Madrasah Aliyah Laung Tuhup?
 - 3. How is this school condition and facilities now?
- B. The Administration Staff
 - 1. How many teachers and staff in this school?
 - 2. How many students in this school?
 - 3. How many English teachers in this school?
- C. The English Teachers'
 - 1. What your educational background?
 - 2. Why do you choose to be a teacher?
 - 3. Why do you want to work in special education?
 - 4. Why do you want to work in this school?
 - 5. Can you tell me about a succesful behaviour management strategy of you have used in the past that helped engage a pupil or group of pupils?
 - 6. You know some of students don't like english, how do you make they interest and like english?
 - 7. Do you usualy use book when you teach?
 - 8. Can you tell me your reason why you use media or do not use media in teaching?
 - 9. How about your students reaction when you use media or do not use media in teaching?
 - 10. And what are your problem when you use media in teaching?

Appendix 4: Description about Interview guidelines and Interview Result of Madrasah Aliyah Negeri Laung Tuhup

Interview Guidelines and Interview Result

A. Headmaster

1. Where is this school location?

This school location in Jl. Ali Satri Rt. 13 Laung Tuhup Distric Murung Raya (Central Kalimantan).

2. How is the history of establishment of Madrasah Aliyah Laung Tuhup?

This school establishment on 27 June 1991 with the name MAS Al-Jihat, assisted 6 (six) teachers with status permanent teachers, at first MAS Al-Jihat just opened one majort that is Islamic major, because there are changes in the curriculum then MAS Al-Jihat opened social science major. After successfully following four times the final exam MAS Al-Jihat changed to MAN Laung Tuhup.

3. How is this school condition and facilities now?

This school condition is good, and has adequate facilities for teachers and students, like science laboratory, library, sport field, and etc.

B. The Administration Staff

1. How many teachers and staff in this school?

This school has 23 (twenty three) teachers, 1 (one) school guardian, 1 (one) cleaning service, 1 (one) security and 3 (three) staff.

2. How many students in this school?

This school has 178 students.

3. How many Englis teachers in this school?

This school has 2 (two) English teacher.

C. The English Teachers'

1. What your educational background?

S1 English education.

2. Why do you choose to be a teacher?

Because I wanted to be a teacher and with sufficient educational background meet the criteria to become a teacher.

3. Why do you want to work in special education?

Because I graduated from the faculty of education so that I choose to work in special education

4. Why do you want to work in this school?

Because this is my village where the I grew up and where I live.

5. Can you tell me about a succesful behaviour management strategy of you have used in the past that helped engage a pupil or group of pupils?

My strategy is when I teaching I always invite my students directly in teaching learning process.

6. You know some of students don't like english, how do you make they interest and like english?

I doing approach first to find my students problem why they do not like English.

7. Do you usualy use book when you teach?

Teacher A in class X: I always used teacher book as media in teaching English and sometimes I used lcd projector as media in teaching learning process, because teacher book very complete includes everything all sorts of learning materials.

Teacher B in class XI I often used teacher book as media in teaching English and I also used newspaper, magazine and the other media in learning proses with I adjust with the material.

8. Can you tell me your reason why you use media or do not use media in teaching?

My reason because when I used media in teaching her/his students more enthusiastic in the learning process, and when I chose did not used the media when teaching because I did not much time to make the media and I also has the other things to be done.

9. How about your students reaction when you use media or do not use media in teaching?

My students reaction when I used media in teaching English, my students more interested and more motivated, and when I did not used media my students will be more reticent when learning process and only took place.

10. And what are your problem when you use media in teaching?

Because I did not much time to make a lot of media and it was waste my time , and there is no budget for buy the material, like when I wanted to make pocket chart, first I must buy cardboard, plastic sheeting, cards and that hefty costs, and when I move to the new material, I also need media for that material and make the media also, then to buy the materials for make the media I should took a far enough way to get it.
