

CHAPTER V

CLOSURE

This chapter deals with the conclusion and suggestion related to research finding and discussion. For this purpose, the research presents the conclusion of research problem and the suggestion to the English teacher, students, and other research.

A. Conclusion

Based on the finding of this research, the researcher has two points :

1. The students' perception on America teacher's cultural teaching style at seventh semester of English Education Department of Antasari State Institute for Islamic Studies Banjarmasin is in excellent category.
2. The kind of teaching style that used by American teacher at seventh semester of English Education Department of Antasari State Institute for Islamic Studies Banjarmasin is his own American teaching style. Such as, discipline, the manner in the class, encourage to students critical thinking, independent, and confident, and the others.

B. Suggestion

Based on the research, the researcher give some suggestions as follow:

1. To the students of English Department, it is hoped that they do not miss this opportunity in learning English with American teacher. They can learn english directly with the American teacher. The students of English Education Department, it is hoped that they always keep practicing and improving their skills.

2. To another researcher, In this thesis the researcher aware that design of study was very simple. There are many weaknesses that could be seen. Therefore, for further study is expected that other researcher can improve this study with the better design and different object to support the result finding, in other word, the other researchers can use this study as the reference for conducting their research.
