

CHAPTER V

CLOSURE

This chapter deals with the conclusion and suggestion related to research finding and discussion. For this purpose, the research presents the conclusion of research problem and the suggestion to the English teacher, students, and other research.

A. Conclusion

Based on the finding of this research, the writer has two points:

1. The use of library to enhance students' learning at Department of English Education Faculty of Tarbiyah and Teachers Training IAIN Antasari Banjarmasin, includes:

Books Collection :

- a. Good category: The books in the library always available to enhance students' learning, the books in the library could help the studies and the variety of books in the library.
- b. Fair category: The books in the library are up to date.

The use of library in English learning :

- a. Good category: The books in the library are suitable with the studies in the college, Students ever rent the books in the library in the college for studying English, the availability of books as main references and the usage frequency of books in the library for learning English.
- b. Fair category: The motivation from lectures to borrow books in the library for learning English.

- c. Poor category: Students never borrow the books in the library as source of reading out of the class.

The facility of library:

- a. Fair category: Students are satisfied with the facilities in the library, the tools and infrastructures of the library are suitable with prospects and the bookcases of library are compatible.
- b. Good category: The furniture of library are compatible and the lighting of library are compatible.

The circulation service of library:

- a. Fair category: The maximum number of borrowing books are suitable with students necessary and duration of borrowing books are suitable with students necessary.
 - b. Good category: The manual process of returning books impede students to return the books.
 - c. Poor category: Books retard tax (Rp. 1000,-/day) burden students to borrow the books.
2. Students' perception toward English Education Department library at Department of English Education Faculty of Tarbiyah and Teachers Training IAIN Antasari is good, but there are some criticism and suggestion, such as the duration of borrowing books is too short and could be long in duration, the amount of books is less and could be added and also added same title of books, the facilities and tools could be added such as tables, bookcase and posters.

B. Suggestion

1. Suggestion for the lecturer

English Education Department library is a place that can help the lecturer to get another book references for teaching the students, the researcher hopes all lecturers who teach in English Department can use the library optimally and able to motivate the students to use the library as learning media.

2. Suggestion for the students

For students of English department might be often again for visiting the library because books which available there are really supporting the process of teaching and learning and increase the knowledge.
