Subject verb agreement diary text

Tom's day

On Sunday, I get up late. I walk around in my house and I see some of books in the shelf are interesting to read. I go to the kitchen and check my foods that were I buy last night, but when I check them, most of them are rotten. Ughh... , I don't have a food to eat and I don't have money to buy food for my breakfast. I try to call my mother to tell her that I'm out of credit.

In the afternoon, at 1 o'clock, I go to my friend's house. When I get there, I see all of my friends are spirit full. They ask me to play basket ball. But, my opponent team plays very good than my team so we lose that game with terrible score. We play almost 2 hours and we got tired, so my friends ask me to have some lunch. We arrive at McDonald. I see some of new menus look good and we order them. After we order it we pay but I remember I don't have money in my pocket so I ask my friend to pay for me first. Oh my got what a shame!!

We arrived at 6 o'clock at swimming pool and we swim almost one hour. While we prepare to get home, we meet some of girls are beautiful swim over there and my friend and I ask them to take some of picture with us and they want it too but when we take a picture my feet slip and I fell into the pool. I feel shame but I get up like nothing happen. We continue take picture and we go home. I look the pictures in my handphone but some of pictures are bad. What a bad day !

My garden

This is my garden. It's very big and also very wide. On one side, there is the McDonald family and on the other side, there is the Korfman family. I like both my neighbors.

There is a lot of grass in my garden. Now, it's September and the grass is long and thick. I also have three trees in the garden. There is a young lemon tree which is very small. It doesn't have any fruit, maybe next year! Then, there is a peach tree. There aren't many peaches this year because of the cold weather in April and May. The third tree is an apple tree. Apples always grow well in this area and the tree is full of big green apples. Tomorrow, I want to make a big apple pie.

There are two animals in the garden at the moment. Max is my Rottweiler dog. Many people think Rottweilers are dangerous, but Max is very friendly and everybody loves him. He's 4 years old. Playing with Max is Hector, our beautiful white cat. He's nearly ten years old.

There are many other colors in my summer garden. In December when it's cold and gray, it's not a very happy place, but now in September, it's wonderful. There are the red roses and we have other flowers that are green and yellow.

There is a large tent in the middle of the grass, a huge purple tent. That's because my brother, Luke, likes camping but my mother doesn't want him to go camping - only in the garden! So he sleeps in the purple tent. Luke is only eight years old, so I think my mother is right. Camping in the garden is safe for an eight year old.

Conditional sentence diary text**Mysterious Case**

It all happened on the night of 6th July. A large truck bumped into a building in the Maryland Street. The strange thing was the truck had no drivers at all. The police started investigating the case immediately. The locals ask a simple question: “Where is the driver?” If the police want to solve this mystery, they will need the video recordings of the street. One of the locals claimed that the truck had never been seen in the neighborhood before. He said: “We’re deeply worried about that truck. We want to know what’s happening in our town. If we’d seen that truck before, we’d solve this mystery now.” The police have asked eleven people in the town till now. No one has uttered a significant word about that night. The chief officer Amanda Slippers says that: “This looks like a tough case. The truck plate belongs to this town, but nobody has seen it here. The owner of the truck moved from the town years ago. And no one knows where he moved. If we found the owner, we would probably solve this mystery.

“A witness on the crime scene reported more interesting details about the event: “There was a loud noise coming from the truck while it was going towards the building and its speed.... I couldn’t believe its speed. If it had been slower, I would have seen the driver seat. But all I saw was a red truck going inside the bakery as fast as it could. If it was noon, I would see that truck clearly. Well, maybe we should change this fact with mysterious red truck.

Very Bad Day

I'd been looking for a new job for a while, as I really hated my present one. I didn't get on very well with my boss and I found the job really boring, so it was definitely time for a change. I had seen an advert in the local paper for a job that sounded absolutely perfect for me. I had to have it! I spent a long time on my CV and wrote a really convincing covering letter.

You can guess what happened...

On the day of the interview I overslept! I must have forgotten to set my alarm the night before. If I'd set my alarm, I wouldn't have been late. I jumped out of bed, quickly put some clothes on and rushed out the door but I was never going to make it in time. If only I'd set my alarm, I would've been on time!

I would normally take the bus but, as I was running late, I decided the tube might be quicker. Yeah if I'd set my alarm, I would've taken the bus. So, I ran down the escalators and jumped onto the train, just as the doors were closing. I breathed a sigh of relief – I might just make it after all. After a couple of minutes I noticed that other people on the train were looking at me strangely. Suddenly, I had a dreadful feeling. I looked down at my feet. I still had my slippers on! I must have been in such a rush to leave the house that I forgot to put my smart black shoes on. This was a disaster! What would the interviewer think of me? If I hadn't overslept, I would've remembered to put my shoes on.

I still really wanted the job so I decided to carry on. I got off the train and rushed outside. It had started to rain and I had forgotten my umbrella. It was only a short walk to my destination but I decided to take a taxi so I wouldn't get too wet. I stood at the edge of the road waiting for a taxi when a huge truck drove past. I had been standing right next to a big puddle and I was now completely covered in dirty water!

I couldn't go to the interview looking like this. I decided to turn back and go home. Feeling very upset, I crossed the road to the tube station. I obviously wasn't looking because the next thing I knew, I was waking up in a hospital bed with lots of cuts and bruises and a broken leg! I wish I'd never got out of bed that morning! If I'd set my alarm, I wouldn't have broken my leg!

Potluck Party

Growing up in a family that had to be careful with money. Consequently, I learned valuable lessons that still help me today. We bought something only if we really need it. We didn't have much extra money but our house was always filled with people and laughter. I learned that it's not necessary to have a lot of money in order to celebrate a birthday or a holiday. For me, special occasions aren't about buying gift they're about getting together with people I care about. Due to less money, always plan potluck parties since I'm a student. Because of a potluck party, I ask my friends to bring some food or drinks to the party to share. Everyone pitches in. Therefore, the party was success and it always is!

An Auction

I moved into new apartment last year. Consequently, I thought I must buy some new things. A 50-inch high-definition TV was at the top of my list. However, having compared prices in several electronics stores and the prices were expensive. Due to the price, I couldn't afford such an expensive TV with my salary. A friend advised me to look for a used TV before giving up. I could buy a TV unless it was cheap. He said I might be able to find what I wanted for a much lower price. Because of his crazy idea, I went to an auction website. The website had a lot of TVs for sale at low prices. Therefore, I bid on a 50-inch TV that looked great. Unfortunately at last I didn't win.
