

CHAPTER V

CONCLUSION

A. Conclusion

The statement of problems in this research are How is the use of “Emma has an enemy” technique in grammar IV of fifth semester students at UIN Antasari Banjarmasin and How far the fifth semester students’ mastery about grammar at UIN Antasari Banjarmasin.

After the researcher collecting all the data, representing and analyzing them. The conclusion would be as follows:

1. Based on the representing data and the analyze it show that the use of Emma has an enemy technique in grammar IV of fifth semester students at UIN Antasari Banjarmasin is about how the lecturer use diary for helping the students to memorize the form and apply it into sentence. First students given diaries and asked to read it. After that, they asked to find the sentence and make it into another form (based on the topic). In this technique students asked to do the assignment by pair work and group work. At the end of the lesson students asked to make diary by group work.

2. Based on the data that representing in the previous chapter it shows that the fifth semester students' mastery about grammar at UIN Antasari Banjarmasin is in good category with the score 76.26.

B. Suggestions

After the researcher finishes the research, the researcher has some suggestion for the students and the lecturer.

1. The students should practice more to increase their skill in grammar in order to decrease the students' lack of knowledge and understanding of the grammatical rule.
2. The students should enrich their vocabulary, it can be done by reading English text.
3. The lecturer should create comfortable situation in teaching and learning process. Thus, the students will enjoy learning English.
4. The lecturer should have many various techniques in teaching grammar.
5. The lecturer should give motivation to students to improve and develop their grammar skill.
