

## ABSTRACT

**Hairullah:** Kepesantrenan Culture Management in SMA Darul Hijrah Puteri Cindai Alus Martapura, Thesis, Supervised by I: Dr. Ahmad Salabi, M.Pd dan II: Dr. Ani Cahyadi, M.Pd, Post Graduate of UIN Antasari Banjarmasin, 2017.

**Keywords:** Management, Culture Kepesantrenan, SMA Darul Hijrah Puteri

Education has an important role in the process of improving the quality of human resources. Pondok Pesantren has characteristic in running cottage program in order to produce quality of santri that can compete in all fields. Kepesantrenan cultural management is the management of learning activities that must be followed by santri during education. Developed culture must be followed according to choice, interests and talents. Pondok Pesantren Darul Hijrah is a cottage that organizes the education, development and development of excellent santri through integrated and integrated education programs. All directed to understand the powerful Islamic religion (tafaquh fiddin), and the ability to live in society, to be happy in the world and in the hereafter.

This type of research is field research (*field research*) with a qualitative approach conducted to describe and analyze all activities that take place in the location of research. Research data was collected through observation, interviews, and documentation. Data were analyzed by reducing data, presenting and describing data, and drawing conclusions according to the research focus. Further checking the validity of data is done with extension of observation, increasing persistence and triangulation.

The results of this study indicate: (1) Pondok Pesantren Darul Hijrah Puteri Cindai Alus Martapura already has a pattern in the management that shapes the character of students to be disciplined, independent, responsible and achievement. This is done through care by watching every activity performed by the santri for 24 hours; (2) The development of kepesantrenan culture in Pondok Pesantren Darul Hijrah Puteri Martapura is done through self-development, consisting of the development of Santri Scouting, Sporting Activities, Arts and Muhadharah. Other programs such as the Health Program, Enforcement of Student Discipline, Implementation of Worship Values, and Strengthening the Language; (3) The result of the Kepesantrenan Culture Management in SMA Darul Hijrah Puteri Cindai Alus Martapura has been effective in shaping the character of students who are disciplined, independent, responsible, and achievers. Scouting creates a spirit of togetherness and mutual respect. The culture of discipline forms the responsible santri. The practice of compulsory worship and other worship services adds to the observance of the santri. Helping the development of language in the activities of English muhadharah and competent Arabic speakers to form the ability to convey every subject based on knowledge and scholarship.
