### **My Mother**

One of my favorite persons in this world is my mom. She is a wonderful mom. She looks beautiful because she has brightest skin in my family. She has a

pointed nose and little eyes. Her eyebrows are almost invisible because they are so rare. She has fat body and her height is 3 cm under me. She is short woman, but I don't care about it. I love you her.

My mother is a nice person. Like other mothers, she has a nice personality. She is friendly to her children, so we are not afraid to tell our problems to her. So often gives us a wise solution to solve our problems. She never hides us anything. She tells us everything that she knows.

My mother is a working woman. She is a civil servant in Jombang local government. She works at Bappeda, Jombang. Bappeda means a part of regional development planning. Everyday she always faces her laptop to do her jobs. Sometimes she has to go back to her office in the evening after receiving a sudden job. Then she rides her car by herself.
