

CHAPTER V

CLOSURE

A. Conclusion

Based on the research results toward the eleventh grade students at Senior high school 3 Tanjung (SMAN 3 Tanjung) about the students ability in writing conclusion of argumentative essay, there is a necessary conclusion as follows the students' ability in writing conclusion of argumentative essay of eleventh grade students at SMAN 3 Tanjung is in fair category, it is based on the calculation means of students' score are 44.08 with percentage (44%) fair category. the total score is 573 of 13 students.

B. Suggestion

Based on the findings of the research , the writer would like to propose the following suggestion.

1. For the eleventh grade students at SMAN 3 Tanjung, keep studying, learn more, and always improve your ability in learning English. Especially, in English writing.
2. For the english teacher, it would be better to use the different methods and techniques in teaching writing, help the students to better in learning English, and try to use media which is has variation to make more interesting and increase motivation in teaching and learning English in generally
3. For the headmaster of senior high school (SMAN 3Tanjung), it would be better to activated the English study club, because the time allocation that is available in the class it is not enough to improve students' skill learning English.
4. For the further reachers, the writer hopes that other reseachers would continue this study such as find out what factor that influence students in writing conclusion of

argumentative essay and give many contribution for English teaching and learning process.
