

CHAPTER V

CLOSURE

In this chapter, the researcher presents the result of the study which consists of conclusion and suggestion. The first part provides conclusion from the research. The second part presents suggestions for the English teacher and other researcher.

A. CONCLUSION

Based on the result of the research, it could be concluded the techniques used by the English teacher are as follows that:

1. Listen and repeat
2. Listen and do
3. Draw and color

B. SUGGESTIONS

Based on this research, there are some suggestions which the writer would like to give. The suggestions are:

1. Teacher should know more about approach, method and techniques in teaching English for young learners.
2. For the English teacher, it is expected that this thesis can give inspiration about how to teach English in another way.
3. For another researcher, the researcher hopes this research can be a source or comparison who wants to take investigation in the same field and also it

can be the inspiration to look for other problem in teacher's technique in teaching English for young learners.
