CLOSURE

A. Conclusions

Based on the result of data analysis from documentary, interview, and discussion above, it can be concluded that:

1. Two lesson plans made by English teacher are suitable with 2013 Curriculum 2017 Revision with percentage 76% and three lesson plans are quite suitable with each percentage 73%, 73%, and 70%.
2. There are several problems faced by English teacher of SMK Muhammadiyah 3 Banjarmasin in designing lesson plans as follows:
 - a. Problem in formulating indicators,
 - b. Problem in developing learning activity that integrate HOTS, 4C, and Literacy,
 - c. Problem in determining time allocation, and
 - d. Problem in designing assessment.

B. Suggestions

There are several suggestions for teacher, Ministry of National Education and Culture, and for future researchers as follows:

1. For teacher

It is suggested that teachers should improve their knowledge and skill, especially related to design a good lesson plan based on the 2013 Curriculum. So they are able to conduct effective, suitable, and interesting teaching and learning

process for the students in the classroom. The teachers also should pay attention on several things which they still have problems related to develop lesson plans.

2. For Ministry of National Education and Culture

It is suggested that the government should facilitate the teachers to comprehend the content of the 2013 Curriculum and conduct workshop related to the 2013 Curriculum in every school.

3. For future researchers

It is suggested that future researchers will do more specific analysis involving many participants and the implementation of the lesson plans in the classroom in order to make generalization.
