Before I meet Grammarly, I use another grammar checker tool, but it does not really helpful for writing my English graduation thesis.				
The grammar checker tool that I usually use for checking my thesis grammar is Grammarly.				
I think Grammarly is really easy to use for writing my thesis				
Grammarly makes helpful suggestions for improving my graduation thesis writing.				
Grammarly gives good explanations for my errors in writing my graduation thesis.				
I like to use Grammarly because it has 100% of grammar accuracy for checking my grammar errors compared to any other of grammar checkers tools.				
I think Grammarly has faster correction than any other of grammar checkers tools that I know.				

Grammarly is very useful in developing my writing skills, especially for my academic writing (Thesis).				
With Grammarly, I have more confidence in writing my academic texts, especially in writing my English graduation thesis.				
I think Grammarly has helped me to more understand about English grammar rules.				
I think the free version of Grammarly is really helpful for me as a university student in checking my thesis's grammar.				
I think the free version of Grammarly has a good quality to support to check the grammar errors of my thesis.				
I think the free version of Grammarly is really useful to help me to check the grammar in Google Translate easily.				
I like to use Grammarly because it has many good features compared to any other of grammar checkers tools.				
It is really recommended to use Grammarly for checking the grammar errors of an English thesis.
