

BAB V

CONCLUSION

Conclusion

Based on the discussion at the previous chapter, which discussed about the result of the problem statement. In this chapter, the writer concludes all the research result as follows:

1. About the teacher strategies in teaching speaking skill at eleventh grade of MA. Ibtidaussalam, it can be seen from some of the brainstorming, discussion, simulation, and role play. This strategies very helpful it can be look from that observation the students would be active in the class and that strategies also could be improve their final scored.
2. The problem or difficulties that the teacher finds in improving students speaking skill at eleventh grade of MA. Ibtidaussalam, it is consist of two problem; (a) Teachers difficulties in enriching students' vocabulary, (b) Teacher difficulties in increasing students self confidence in speaking English in front of public.

Suggestion

Basically the strategies used by the English teacher in improving students speaking skill at eleventh grade of MA. Ibtidaussalam have been good enough but the teacher also has to improve their speaking skill with

various strategies that can make the students more active, interest and enthusiastic in learning English, in order that situation of the class do not change become bored or stuck again. The teacher can explore more strategies.
