B. Suggestions

Based on the findings of the research, the researcher would like to propose the following suggestions:

1. The lecturer must be creative in teaching learning English and make students comfortable in the class like using funny techniques.
2. The lecturer should be selective in indicating the errors, finding the solution, and creating a remedial teaching which is free from the previous errors.

3. The students should do more practice and study in order to decrease the students lack of knowledge and understanding of the grammatical rules.
4. The students should study the material intensively, repeatedly, and toughly.
5. The further researcher could make this paper as references for future research.
