

ABSTRACT

Muhammad Bahroini: *The Implementation of Quality Value in Managing Dormitory in Islamic Boarding School (Case Study in Darul Hijrah Islamic Boarding School for Girls and Al-Falah Islamic Boarding School for Girls Banjarbaru)* under Guidance I: Dr. Husnul Yaqin, M. Ed and II: Dr. Ahmad Salabi, M. Pd. in Postgraduate UIN Antasari Banjarmasin, 2020.

Key Words: Implementation, Value, Quality, Management

Dormitory is the important element for Islamic education institution which calls itself Islamic Boarding School. The existence of dormitory generally has not been managed professionally so that the objective of this research is to know how the implementation the quality of planning, quality of organizing, quality of actuating, and quality of controlling in managing the dormitory in Darul Hijrah Islamic Boarding School for Girls and Al-Falah Islamic Boarding School for Girls Banjarbaru are.

The method used in this research is qualitative approach and the kind of the research is case study. Tehcnique in collecting data is using interview, observation and documentation. Data analysis is using *Miles & Huberman* Technique. Validity check is using triangulation technique which utilize the sources and methods.

Based on the findings on the ground, it shows that the implementation of quality value in managing dormitory in Darul Hijrah Islamic Boarding School for Girls and Al-Falah Islamic Boarding School for Girls Banjarbaru generally has been applying the standart and fulfillment of management function, i.e. quality of planning, quality of organizing, quality of actuating and quality of controlling. The resources that becomes the objects of this research are students, teachers and staffs, facilities and infrastructures, and finance. The quality of planning is conducted by making the standard and the fulfillment of the standarts of each boarding school. The quality of organizing starts with determining the structures, determining the manager, jobs divisions and communication and coordination system. The quality of actuating is conducted by giving the instruction or direction generally and specifically, giving *ishlah*, and motivation. The quality of controlling includes performance controlling, administration controlling, dormitory building controlling and personnel controlling. The standard of managing the dormitory nowadays has not had the reference from the Religion Ministry, so that the boarding school has its own standard in fulfilling the needs of its boarding school. To fulfill the standard of organizing the dormitory, Darul

Hijrah Islamic Boarding School for Girls maximizes the room visit and the gradual daily, weekly, monthly, quarterly and every semester evaluation. Al-Falah Islamic Boarding School for Girls Banjarbaru maximizes the communication, coordination and gradual daily and monthly evaluation to get the qualified dormitory management.
