Keyword: Tahfizh House, Memorizing Method, *Murâja'ah* System

Annur tahfizh house is one of the many tahfizh houses in Banjarmasin. It has been led by Fakhrie Hanief since 2017 ago. This tahfizh house has many programs such as the *tahsîn* of tartily banjary, the tahfizh activity, and the *murâja'ah* activity that is held in every meeting day. Besides in the *tahsîn* program, this tahfizh house paying attention and improves the students' memorization too, either in quality neither in quantity. However, the main focus that oriented in this tahfizh house is on its *murâja'ah* activity. Even so, this tahfizh house still pays attention to the increase in the quantity of memorization of its students. This research aims to know about the method or steps in memorizing the Quran and to find out about the management system in *murâja'ah* the Quran applied by Annur tahfizh house. The type of this research is field research. Its located on Pramuka Street, Rt. 09, Rw. 01, No. 10, Pemurus Luar, East Banjarmasin District, Banjarmasin City. This research uses descriptive qualitative methodology. The data collection techniques are interview, observation, and documentation. While, the data analysis technique through several steps are summarized and sort out the data, classify and present the data, and describe the data descriptively.

The results of this research are: (1) The memorizing method of the Quran applied in Annur tahfizh house is the *talqîn* method in general, seeing from the similarity of patterns in the process of memorizing activities applied there. However, the researcher did not find any special methods that the tahfizh house belonging in memorizing activity. (2) The *murâja'ah* system applied in that tahfizh house had divided into several patterns are *murâja'ah* with friends, *murâja'ah* with teachers, and *murâja'ah* as their homework with sûra that have been determined by each group teacher and written in the student achievement book. Also, the tahfizh house has a special day of *murâja'ah* for repeating all the learning materials include the memorization of the Quran at every 5th, 10th meeting, and its multiples.
