In the technique of writing book or scientific works, accurate information is needed to support the contents of the book. This information can be found in various forms, either through printed books, websites, or various information from printed and digital media. We can refer to all these references as a list of references or read recommendation. In intellectual activity, a list of references is used as a source of information to support the writing of scientific works and various forms of writing. If a scientific work does not have a bibliography, it will be doubted about the truth. In writing of reference list there are many style was used. One of referencing style used is APA style. APA stands for American Psychological Association, so APA Styles is one of the reference styles issued by the APA organization, especially for the fields of psychology, education, engineering and business. Therefore, in this research the writer analyzed the error in writing reference list according to American Psychological Association Style.

The problem statement of this research is what are the referencing style errors that written by students in thesis references?. The subject of this research is students theses of English Department. The researcher collected data by taken from library of university the thesis reference and read their thesis references. After collected the data are analyzed the referencing style and referencing style errors created by students with theories and explained descriptive-qualitatively. The result of this research the writer finding the referencing style error at writing of authors name, website, punctuation and capital letter.

ABSTRAK

Mirna Rusiana. 2021 . Analysis on Referencing Style Error on Students Theses of English Department at Antasari State Islamic University. Skripsi. Keywords : Analisis, Kesalahan Gaya Referensi, Skripsi

Dalam teknik penulisan buku atau karya ilmiah, diperlukan informasi yang akurat untuk mendukung isi buku. Informasi ini dapat ditemukan dalam berbagai bentuk, baik melalui buku cetak, website, maupun berbagai informasi dari media cetak dan digital. Semua referensi ini bisa kita rujuk sebagai daftar referensi atau rekomendasi baca. Dalam kegiatan intelektual, daftar referensi digunakan sebagai sumber informasi untuk mendukung penulisan karya ilmiah dan berbagai bentuk tulisan. Jika suatu karya ilmiah tidak memiliki daftar pustaka, maka akan diragukan kebenarannya. Dalam penulisan daftar referensi ada banyak gaya yang digunakan. Salah satu gaya referensi yang digunakan adalah gaya APA. APA adalah singkatan dari American Psychological Association, sehingga APA Styles merupakan salah satu gaya referensi yang dikeluarkan oleh organisasi APA, terutama untuk bidang psikologi, pendidikan, teknik dan bisnis. Oleh karena itu, dalam penelitian ini penulis menganalisis kesalahan dalam penulisan daftar referensi menurut dengan Gaya Asosiasi Psikologi Amerika.

Rumusan masalah dari penelitian ini adalah apa saja kesalahan gaya penulisan referensi yang ditulis oleh mahasiswa dalam referensi skripsi?. Subyek penelitian ini adalah skripsi mahasiswa Jurusan Bahasa Inggris. Peneliti mengumpulkan data dengan mengambil dari perpustakaan universitas referensi tesis dan membaca referensi tesis mereka. Setelah data terkumpul dianalisis kesalahan gaya pereferensian dan gaya pereferensian yang dibuat oleh siswa dengan teori-teori dan dijelaskan secara deskriptif-kualitatif. Hasil penelitian ini penulis menemukan kesalahan gaya pereferensian pada penulisan nama penulis, website, tanda baca dan huruf kapital.
