24 April 2021	<p>There are some points that need to be changed in your thesis: 1. You can't mix the research into experiment since you need to use numbers , so it is better you change the research questions 1. What are the character found when the teacher implements creative way in teaching English? 2. What is the most dominant character? 3. How is the students' response toward theseways?</p> <p>No 1, kamutinggalmenyebutkankaraktermanaygmunculpada saat pembelajaran, bagaimana proses munculnyakaraktertsb? <p>16 Juni 2021</p>	<p>1. What are the character found when the teacher implements creative way in teaching English?  2. What is the most dominant character?  3. How is the students' response toward these ways?</p> <p>Melati, those are the questions for your research, when I come to the finding, they are quite different.</p> <p>Make sure you answer those questions.  Provide the instruments, so it will be easy to detect  If you have any problems, come to see me directly at the office</p>	
<p>18 juni 2021</p>	<p>Yang dicari adalah karakter apa saja yang muncul saat guru menggunakan interactive way?</p> <p>Bagaimana mengidentifikasinya jika lembar observasi mu tdk memuat hal tersebut.</p> <p>Khusus pertanyaan 1 &amp; 2 dijawab berdasarkan hasil observasi.</p>	
<p>1 juli 2021</p>	<p>Ada 18 characters dalam teorimu, mengapa temuan yang sangat sedikit?  Munculnya karakter tsb tdk hanya dari angket tapi dari proses observasi selama kamu mengenalkan creative.</p> <p>Ibu yakin ada banyak hal yg menarik yg muncul pada saat kamu mengajar.  Jadi jelaskan di finding.  Kalau kamu menyebutkan the most dominant character adalah work hard, you should give the evidence.  Berapa kali karakter tsb muncul jika dibandingkan dengan yang lain  untuk discussion, hasilnya harus dikaitkan dengan teori  Discussion itu adalah mengaitkan hasil penelitian dengan teori.</p>	

<p>10 juli 2021</p>	<p>Kalau semester ini kamumemprogram thesis, ibuzinkamudaftarsidang. I appreciate you have followed some suggestions from me, but you still need to improve your thesis. untuk Finding sdhrapi, tapimasihperluditambahkandetailnya There are 7 characters found during observation ...the first character is religious. kamujelaskancara, prosessnya, buktidllygmenunjukkankarakterteresebutmuncul.
