plagiarism. Some of them, still aware about the plagiarism. So, from 20 thesis that have been analyzed, there are 8 thesis that did not exist the types of plagiarism. Overall, the highest frequency of types of plagiarism that appeared in the thesis 2020 Antasari Islamic State University Banjarmasin is totally copy-paste from mentioned author (TCP-MA) and the lowest is Quoting use own word (QUOW).

## **B. Suggestions**

As mentioned in previous chapter, the study of analyzed the types of plagiarism in thesis 2020 Antasari Islamic State University Banjarmasin. Therefore, researcher provides following suggestion:

1. Suggestions for lecturer; The lecturer is hoped to give more explanation how to avoid the plagiarism and the sanction of doing the plagiarism. Give the students more practice how to write or paraphrase a sentences until they could paraphrase the sentence correctly and add the source properly. Increase their skill in reading and writing by giving the more practice.
2. Suggestion for students; The students need to follow the rules or the guide book in English Department how to write the thesis correctly. Make sure, all the citation exist in the references list and do the paraphrase to the sentence that quoted. Do the double check before you collect your writing assignment or thesis. Use the unpaid website to check how much plagiarism that exist in your work. Remember all the citation to put in references list.

3. Suggestion for other researcher; This study has been attempt to investigate on types of plagiarism in thesis 2020 Antasari Islamic State University Banjarmasin. Moreover, due to limitation data collection only use the documentation. Thus, the researcher suggested to others to conduct by using technique in collecting data in order to not only using the theory as the foundation of research. In addition, using technique such as doing test, questionnaire or interview to get the data that involved the student.
