

CHAPTER V

CLOSURE

A. Conclusion

This content for this chapter consists of two part. The first part is about conclusions of the findings that the researcher found in the research. the second part is related to the suggestions that the researcher proposes for the future in the results of research that has been done.

1. The challenges of english teachers on using e-learning in teaching english at MTsN 3 Banjarmasin are internet connection, understanding of the use of technology, difficult to measure students' understanding and abilities, interaction in learning, feeling lazy and difficult to concentrate
2. Teachers way on facing the challenges in teaching English using e-learning applications at MTsN 3 Banjarmasin are creating online system learning media, communication with parents of students, create a summary of learning, giving assignments that can encourage students to be active.

B. Suggestion

Based on the finding of the research, the researcher would like to purpose the following suggestion:

1. To teacher it is hoped that they can be more optimal in using e-learning to teach students and teachers, they must be more creative when providing English teaching materials online
2. To students it is hoped that they can be more preparation in maximizing online learning time properly so that learning outcomes are better and do not decrease.

3. To next research it would be better examine more sources and references related to the challenges and teachers way on facing the challenges in teaching English using e-learning applications so that the research results can be better and more complete. Better prepare yourself in the process of taking and collecting data and everything so that research can be carried out better.
