

ABSTRACT

Mar'atun Shalehah; *Quality Improvement Management at the Tahfidz Al Qur'an Institute in Banjarmasin City (Tahfiz Al Qur'an Al Haromain Institute, Az Zahra and Qaryah Thayyibah Banjarmasin)*, under the guidance of (I) Prof. Dr. H. Syaifuddin Sabda, M. Ag and (II) Dr. H. Hamdan, M.Pd Thesis, Postgraduate Program at UIN Antasari Banjarmasin, 2022

Keywords: *Quality improvement management, Tahfidz al Qur'an institute*

Quality Improvement Management in educational institutions is very important, in non-formal educational institutions including one of the educational institutions tahfidz al Qur'an. Through quality improvement management in the institution of tahfidz al Qur'an can make continuous improvements in order to improve the quality of the institution tahfidz al Qur'an. The purpose of this study is to find out how quality improvement management 1) parental support, 2) the quality of educators, 3) student commitment, 4) institutional leadership, 5) quality of learning, 6) resources, and 7) school comfort at the tahfidz al Qur'an institution in Banjarmasin City.

The type of research conducted is field research (field research) that is descriptive. Research data is divided into two, namely the main data and supporting data, the main data is obtained in the form of oral and behavioral words from subjects related to quality improvement management. While supporting data in the form of documents, photographs, and objects that can be used. Research data is collected through observations, interviews, and documentation. Data is analyzed in a descriptive way, namely by describing with words or sentences to obtain conclusions. While the technique of checking the validity of data is carried out by examination based on four criteria: namely (1) credibility, (2) transferability, (3) dependability, (4) confirmability.

The results showed that the quality improvement management at the tahfidz al Qur'an institution in Banjarmasin city went well. It can be seen from the planning, organizing, actuating and controlling carried out by the tahfidz al Qur'an institution in the management of improving the quality of parental support, the quality of educators, student commitment, institutional leadership, quality of learning, resources and good school comfort so that educational institutions tahfidz al Qur'an can achieve the vision of mission and goals of tahfidz al Qur'an institutions well and quality.
