B. SUGGESTION

Based on the finding of research, the researcher would like to propose the following suggestion:

1. The teacher should look for audio, either through cassette or YouTube for Listening material because in the textbook it is only

available in textform.

2. The publisher should give audio for BRIGHT textbook, so can used a cassette or enter a barcode scan in the textbook, it's easier whenlistening skill material.
3. The further researcher could make this paper as references for future research
