Semoga manuskrip ini bisa diproses (review) dalam waktu yang tidak lama. Semoga jurnal Thaqqafah selalu berjaya dalam menerbitkan artikel-artikel pilihan.

Dear editors,

I have revised my manuscript:

First, by changing the style of reference from chicago style to APA referencing.

Second, by proofreading the manuscript, done by a native speaker of English (UK). Tomorrow--in sha' Allah -- it will be delivered.

Thus, I will resubmit it. But there are some issues; is it resubmitted through email or through the online system (Scholar One); is the webpage still in upgrading, is it ready for resubmitting?

Thank you very much

Wardani
