

ABSTRACT

Helda Anilia. 2022. *Thematic Progression in English Textbook “Your English Partner” Unit 1-4.* Thesis. English Education Department, Faculty of Tarbiyah and Teacher Training, Antasari State Islamic University. Advisors: (I) Dr. Hj. Nida Mufidah, M.Pd, (II) Afifah Linda Sari, S.S.,M.Pd

Keyword: English Textbook and Thematic Progression

The aim of this research is to discover the type of thematic progression in English textbook under the title “Your English Partner” Unit 1 up to Unit 4 by Language Development Unit team at Antasari State Islamic University. A good text considered by thematic progression with a consistency patterns, so it could be created a coherence of a text.

This research used descriptive qualitative as research method. The data collected by analyzing an English Textbook titled “Your English Partner” and selecting 4 texts in the first 4 unit. The data were analyzed based on Eggins theory that there are three type of Thematic Progression they are Constant Thematic Progression, Simple Linear Progression and Split Rheme Progression.

The result showed that there are three types of Thematic Progression from Unit 1-4 that has been identified. The researcher identified Constant Thematic Progression (CTP), Simple Linear Progression (SLP), and the last Split Rheme Progression (SRP). The results show how all the text in this research contained Thematic Progression Pattern with various type in every text. In addition, this research could be recommended for the learner or lecturer to examine how the thematic progression contribute in reading process, if the pattern of a text is good then the text will get easier to be understood.
