

CHAPTER V

CLOSURE

A. Conclusion

Based on the findings and TikTok is a new media which use for learning English in the form of short videos. This research found that these ten accounts display a large amount of variety in their usefulness in studying English. The contents of these ten accounts is mostly about vocabulary, grammar, pronunciation, common mistakes, and exercises. There are some different contents on each account such as @antonioparlatti has a playlist about Lyrics, Phrasal Verbs on @andreaholmenglish, Directions in English on @blackscreenenglish Time to Rhyme, and Forgetful Storyteller on @mikechameleon, Bad Gin VS Good Gin on @kampunginggrisccom, and Learn English from Movie on @englishvit.com. All contents on these ten TikTok accounts can be used for learning English.

B. Suggestion

After conducted this research, the researcher would like to give some suggestion to each accounts to update the content more often and update the materials so viewers can be more interested to watch their videos. The more often the creator uploads new videos, the more opportunities the video will get into other users viewing recommendations. For teachers, TikTok can be very useful for teaching media especially in this modern era

and also for other researcher, for other researchers, this research can be used as a reference for further research.
