Subject: REVISION REQUIRED - "International Conference on Advanced Materials Science" Manuscript "Numerical Investigation for Convective Heat Transfer of CNT Nanofluids over a Stretching Surface"

Dear Dr. Muhaimin Ismoen,

Based on the reports of the referees, the Editors have determined that your manuscript «Numerical Investigation for Convective Heat Transfer of CNT Nanofluids over a Stretching Surface» requires revision before it can be published in the «International Conference on Advanced Materials Science» . To access the referees' reports and submit your revised manuscript, please use the publisher's website <https://www.scientific.net> and log in using the credentials below:

Username : muhaimin.ismoen@utb.edu.bn

Password : cvEGm732

After you login please select « Participant » and then « Papers » near the top of the screen and then click on items in the « Reviews » column of the papers list to access the Editor/Reviewer reports of your paper. If you click on the « Paper Title » column of the papers list you will get to a screen where you can upload your revised manuscript.

Please check the Review(s), revise your manuscript and upload a new version. The new paper must be uploaded over the first version, just click on your paper title and upload the new version (mandatory).

The revised manuscript is uploaded over the earlier version, thus replacing it.

Please note that revised manuscript submission closes on 12/26/2018.

If you have any questions or wish to comment on your revisions, please E-mail the Editor.

Thank you.
Best regards,
Waluyo Adi Siswanto
