Dear

We have reached a decision regarding your submission to **Pythagoras: Jurnal Pendidikan Matematika**, "Analisis proses berpikir siswa dalam memecahkan masalah barisan aritmetika ditinjau dari adversity quotient".

Our decision is: Revisions Required  
Please send the revised article by: September 29, 2021

Please revise your paper according to the reviewer(s)' comments below and also the comments in the soft-copy of your article (file attached). Address all the concerns of the reviewers, as far as appropriate. Prepare a separate word document to indicate the changes that were made as a result of each reviewer's comments. This is compulsory. The revised paper will not be considered without this. You must explain how you responded to the EACH comment from EACH reviewer. A form is attached. It does not suffice to write done or fulfilled next to a review comment. You need to explain in detail how the comment was responded to and provide paragraph and page numbers as well. Also, highlight the changes made in the paper.

If possible, please add 1 or 2 references from **PYTHAGORAS: Jurnal Pendidikan Matematika**.

The revised paper will undergo a re-evaluation to ensure that all requested changes were made to the full satisfaction of the reviewers and **Pythagoras: Jurnal Pendidikan Matematika**. Failure to make the requested changes will delay the publication of the paper.

If you have any questions, please let us know. Thank you very much.

Best regards,
