Good. Good

Sentences/Conversation
Fellas, I've gathered you here today because this is Minnie's new house.
And I really wanna surprise her by painting it before she gets back.
It's got polka-dot paint! Big flowery hat! Cutesie-wootsie bow!
That's good and all, but I like to see where inspiration takes me.
Oh, no,no. I have got it all worked out. All we need is polka-dot paint, an old-fashioned paint brush.
And we'll be done in no time.
Agree to disagree
This is smooth sailing.
Hey, Mick. I'm all done.
I just let inspiration take me someplace mystical.
What? The plan was polka-dots, remember? Polka-dots.
Why aren't you painting? Just use a brush. Come on! You're wasting time.
What gives ?
Hold on a sec, buddy.
Hey, Mick. I need more paint.
Looking good, am I right?
What's wrong with you people ?
I fixed it.

We are really fighting the clock and every minute counts.

You said this was going to be quick!

Look Simba, Everything the light touches is our kingdom.

Wow.

A king's time as ruler rises and falls like the sun.

One day, Simba, the sun will set on my time here and will rise with you as the new king.

And this'll all be mine? Everything

Everything the light touches.

You okay, Kid?

I guess so.

You nearly died.

I saved you.

Well, Pumbaa helped. A little.

Thanks for your help.

Hey, where you going?

Nowhere.

Gee, he looks blue.

I'd say brownish gold.

No, no, no. I mean he's depressed.

Kid, what's eating you?

Nothing. He's at the top of the food chain.

The food chain.

So, where you from?

Who cares? I can't go back.

Ah, you're an outcast.

That's great. So are we.

What'd you do, Kid?

Something terrible.

But I don't wanna talk about it.

Good, we don't want to hear about it.

Then maybe you need a new lesson. Repeat after me.

"Hakuna matata" It means "no worriess"

But, Dad, don't we eat the antelope?

Yes, Simba, but let me explain.

When we die, our bodies become the grass and the antelope eat the grass.

And so we are all connected in the great circle of life.

No, no, no. It doesn't matter. Hakuna matata.

What?

Hakuna matata. It's something I learned out here.

Sometimes bad things happen and there's nothing you can do about it.

So why worry?

Because it's your responsibility.

Listen, Kid, if you live with us, you have to eat like us.

Hey, this is looks like a good spot to rustle up some grub.

Eugh, what's that?

A grub. What's it look like?

Snow White.

She is going to rip out my heart.

Quick work. Hey. Well done, Hutsman. Hand her over.

What do you intend to do with her?

Why do you care?

You want her.. Hey!

Give me what I was promised.

You did your job well.

Now, keep your word.

He'll kill us both.

Shut up.

He will.

I said, shut up.

No, no.

I'll keep my word when the Queen keeps hers.

Where's my wife?

He's going to betray you.

My sister has many powers.

She can take life away, or sustain it.

But she can't bring your wife back from the dead, you fool!

I saw it first!

Now, men, don't get excited.

Remember, share. It's shre and share alike.

Look out, it'll rip. It'll rip!

I once had a wife, princess.

Sara was her name.

When I came back from the wars, I carried with me the stench of death and the anger of the lost.

I wasn't worth saving, that's for sure.

But she did so anyway.

And I loved her so much.

I loved her more than anyone or anything.

And then I let her out of my sight and she was gone.

And I became my self again.

A self I never cared for. Until you.

See, you remind me of her. Her heart. Her spirit.

But now you, too, have gone.

You both deserved better, and I'm so sorry I failed you. I'm so sorry.

Silence!

You know the penalty if you fail.

Yes, your majesty.

But to make doubly sure you do not fail, bring back her heart in this.

Ants are not meant to serve grasshoppers.

I've seen these ants do great things.

And year after year they somehow manage to pick food for themselves and you.

Ants don't serve grasshoppers.

It's you who need us.
