

APPENDICES
Appendix 1: Translation

Al Qur'an (Verse)	Translation	
	English	Indonesia
Q.S An-Nisa/04 : 63	They are people for whom (indeed) Allah knows what is in their hearts. Therefore, turn away from them, give them advice, and speak to them words that impress their souls.	Mereka itu adalah orang-orang yang (sesungguhnya) Allah mengetahui apa yang ada di dalam hatinya. Karena itu berpalinglah kamu dari mereka, dan berilah mereka nasihat, dan katakanlah kepada mereka perkataan yang membekas pada jiwanya.

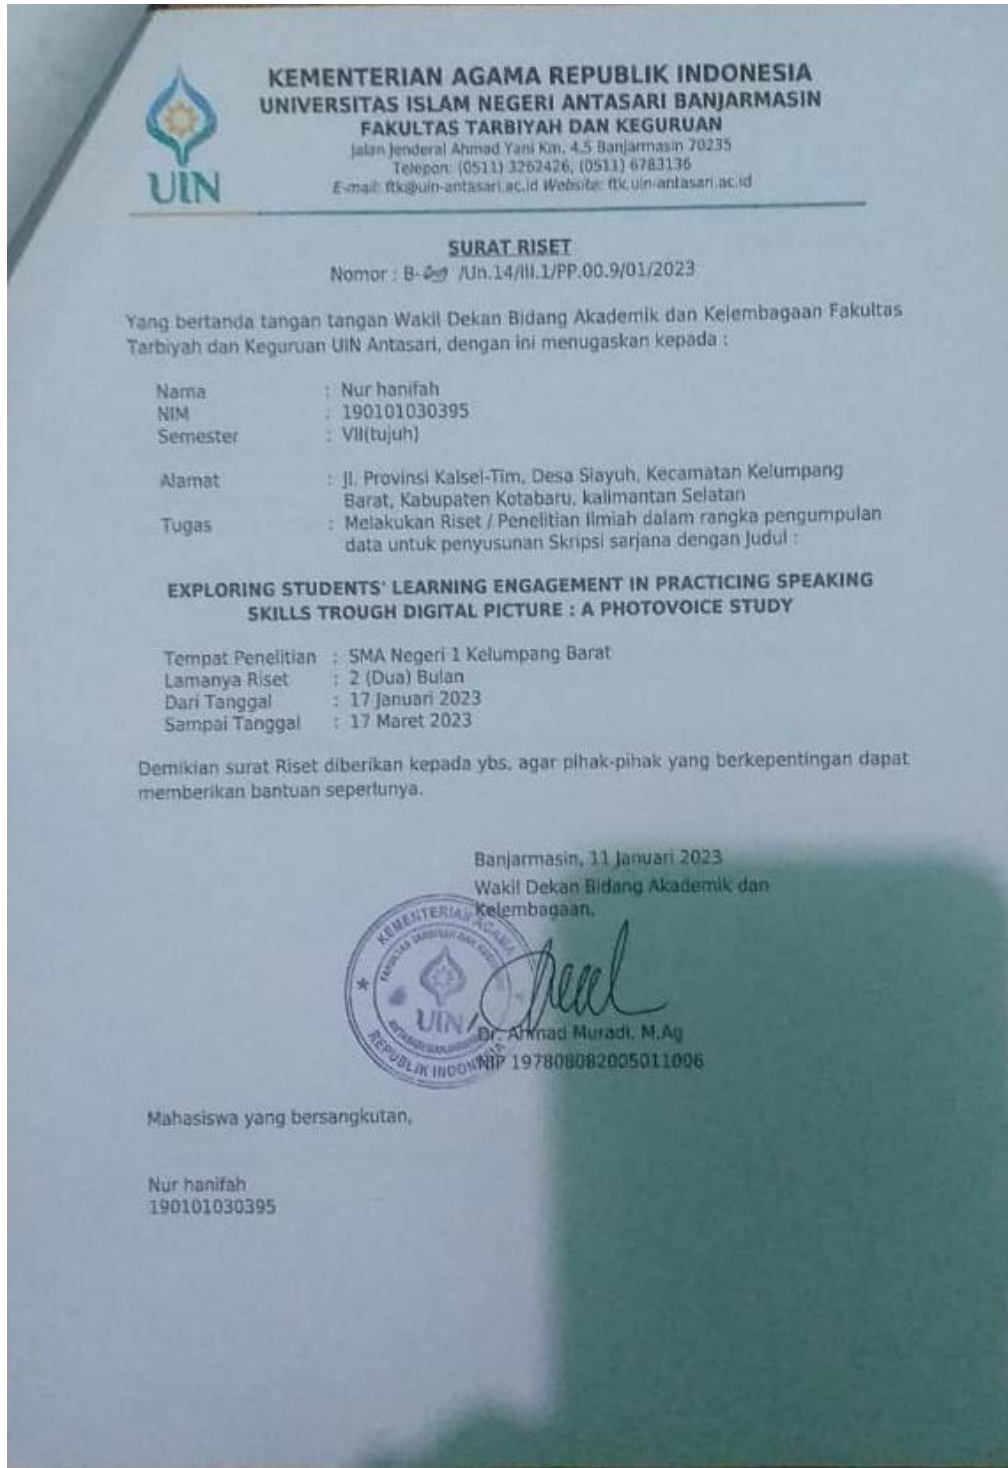

Appendix 2: Interview protocol

Developed from the theory of Learning Engagement by Fredricks (2014).

Informant	Question
Student,	<ol style="list-style-type: none"> 1) What photo did you take? 2) What's going on in this photo? 3) Does this photo show that you are involved in learning? 4) Do you feel you are involved in behavioral Engagement? Possible probes: <ul style="list-style-type: none"> ➤ Do you feel active in learning both in groups or individually? ➤ If there is a group discussion, are you dare to ask if you don't understand a lesson material? 5) Do you feel you are involved in Cognitive Engagement? Appendix 8: Thesis Concultation Notes

Date	Notes	SIGNATURE
December 22, 2022	<ul style="list-style-type: none"> - too many background study improvements, so it was revised to be shortened to be more related to the discussion material. -improved quotation retrieval so that the language is more recent - looking for gaps in a problem - improved research question. - Improved the objective of the study - Added a little clarification related to the research in each definition of the key term - Added content to the research design section - Added explanation to the participant section - Changed the technique of data collection into the research design. - changing data analysis to thematic analysis. 	
December 28, 2022	<ul style="list-style-type: none"> - writing has been equated with writing for a thesis - research question improvement - the objective of the study improvement - typo correction in writing - content correction of chapter two, in which the researcher must be adjusted to the order of research questions – improvement of thematic analysis 	

	- making research instruments	
January 09, 2023	- grammar check on writing - changes to several research instruments - word improvements to be more recent	
April 2, 2023	- The sections contained in the definition of study are more clarified by relating them to their research so that the explanation is not too general. - The word nervously is changed to nervousness - Eliminate the use of the word will because this thesis file is not for a proposal, so this research is in progress, not going to take place. - In the section to receive the participants, it is further clarified how many students are participants in the study by also including the number of males and the number of females involved as participants in this study - Check plagiarism and check grammar. Don't let a lot of words have typos and use the wrong grammar	
31 mei 2023	- In the research settings section, provide clear reasons why you chose this school for your research. - The technique of the data collection section in the table is made in points with more explanation about the topics in the table relating to the researcher's data collection. - In the discussion section, more quotes	

	<p>are given to make the content more dense.</p> <ul style="list-style-type: none">- Don't write the number of students using the ladder, but use regular writing for the number of students you want to write down.- The image loaded in the finding is too small. You can remove it from the table. Placed on the table- The table section is added by 1 column to mark the part of the interview results, which are student statements that it is behavioral, cognitive, or emotional engagement. It also indicates the challenges students feel during speaking. They are marked with italics.- Check plagiarism and check grammar. Don't let a lot of words have typos and use the wrong grammar	
--	--	--

Date	Notes	SIGNATURE
December 16, 2023	<ul style="list-style-type: none"> - Improved writing about grammar - Additional material about the contents of the digital picture - The language used is even more diverse, especially in quoting - Pay attention to spaces in writing 	
January 17, 2023	<ul style="list-style-type: none"> - Writing sub-topics using numbers instead of using letters - Fix the contents of the background again. The source is not too old. - In writing, don't forget to justify. - The writing of lowercase and uppercase letters is more thorough - Check vocabulary, no typos 	
Mei 17 2023	<ul style="list-style-type: none"> - Writing the distance between Chapter 1 and the introduction is fixed - Spacing between paragraphs is 0, don't enter once - Learn more about correct quotes. - Consistency in vocabulary, don't change the house too much between engagement and involvement. - Fixed the use of the word will because it would change to ongoing. - No need to repeat the title at the end of the Chapter 1 paragraph - Pay attention to the writing of the words so that there are no vocabulary errors or 	

	<p>typos</p> <ul style="list-style-type: none"> - Writing between sub-materials, don't go too deep. Just align left. - Writing sub if there are a lot of points, you don't need a.1 or a.2, just 1 2 3 - The writing of book quotations is noticed - Re-added theory on types of digital picture - In the data analysis section. First, add the opening paragraph regarding data analysis. Then if you want to use thematic analysis directly, add it, and don't forget to link it to the previous analysis data. - The table line researcher must be removed if the thematic analysis uses a table. 	
<p>Mei, 21, 2023</p>	<ul style="list-style-type: none"> -Writing a table where the horizontal part is removed so only the vertical position remains. - fixes in quoting - improvement in writing finding and discussion -improvement in the contents of the existing table in finding. Those in italics may be given a red color as a marker for certain parts - content improvement in the researcher's explanation regarding the results of interviews with students under the table. And it's better if the student's name is a pseudonym. - The photos above the table are set so that they are in the middle, not on the sides 	

<p>Mei 31 2023</p>	<ul style="list-style-type: none"> - In the finding section, the researcher should separate the answers to research questions 1 and 2 into 2 points, not combined. - In the finding section, there should be no citations. Just move the sources to the discussion section so that there are more things that researchers can compare with existing theories - Improved justify in the research question and significance of the study section. - Writing in/on/of uses lowercase word prefixes - Add the word "figure 4.1" to each table in finding - In the finding section to answer the research question number, another student states that they are experiencing these challenges. - The finding section has been changed again by inserting photos into the table to make it easier to write the photo figures. - Collect Bibliography using Zotero
