

## **CHAPTER V**

### **CLOSURE**

#### **A. Conclusion**

Based on the findings and discussion, the researcher discovers five podcasts that can help with English learning, including Luke's English Podcast, Adept English Podcast, To Fluency Podcast, Espresso English Podcast, and 6 Minutes English. Podcast listeners can listen to these podcasts on Spotify or watch them on YouTube while reading the transcript. Each podcast is managed by native and experienced speakers who provide interesting content in every episode of their podcast.

The content of five podcast that have been analyzed by researcher can help learners or podcast listeners learn English by providing various topics. Each podcast contains a variety of topics, including tips on improving English skill, listening, speaking, reading, writing, pronunciation, vocabulary, and grammar for English learners. Those who are interested in learning and improving their English skills may listen to the podcast via YouTube and Spotify.

#### **B. Suggestion**

After conducted this research, the researcher would like to make some suggestions for those who are interested in learning and improving their English. It can be improved by listening to podcasts. Podcast listeners can learn English through podcasts because they offer lots of English

learning content. This activity can be done anytime and anywhere, so anyone can do it. The researcher also suggested that this research serve as a reference for future researchers, especially those who are interested in the topic of this research. The researchers hoped that further research would be done in order to research more about other podcasts that can help podcast listeners learn English.
